Technician rates are based on one technician on site (\$300) for 0 to 8 hours. If additional technicians are required, each added technician will be billed at \$300. If the technicians are needed for more than 8 hours their rates will increase to \$500 per technician.

Adjustments to the booked date must be made to the venue General Manager no later than 7 days in advance of the event, and can be either approved or rejected at the discretion of the GM.

The venue may require a signed rental agreement and/or a deposit from the promoter as deemed necessary. In this case, details will be communicated with the promoter at time of their hold(s) being confirmed.

Due to our current license at the venue, we are unable to host All Ages events at the venue at this time.
