

Load In / Out Procedure

- Please note, The Vogue Theatre's primary load in / out zone is the back of house.
- The recommended point of entry into the lane is Nelson Street. A spotter is recommended.
- Semi trucks may also back in from Robson Street. A spotter is necessary.
- Pulling in front first or backing in from Smithe street is not possible.
- If the lane is inaccessible, a Granville Street load in / out is permitted with approval from the House.
- Please note that Granville Street is an entertainment district with heavy foot traffic, vehicle & bus traffic and safety cones must be placed at the tailgate of touring vehicles.
- Cases may NOT be staged on Granville Street. All gear must be loaded directly into the venue.
- Touring vehicles must park on Granville after patron egress.
- Long term tour parking is located on Seymour Street adjacent to the lane.
- The stage door may be accessed from Seymour Street via the parkade breezeway.
