2026 SUMMER CALENDAR

CALVARY
KIDS Ministry

I'm a first timer...What is Calvary Kids?
Calvary Kids is the children's ministry of Calvary Community Church. We are committed to coming alongside families with the mission of making more and maturing disciples of Jesus Christ, starting with our own children.

Welcome to Calvary Kids

The summer is upon us and we are excited about all the Lord has in store for us. We are continuing to work at improving Calvary Kids and are excited to bring back some of our usual programming, and thrilled about some new opportunities to connect as a church family. Here is everything you need to know about Calvary Kids and how to get involved over the summer!

How do I register my child for Calvary Kids events?

You can register online at www.calvarystcloud.org, or you can register in person on a Sunday morning or Wednesday night. As always, please contact us by email or phone if you have questions or need assistance in registering for these events.

How can I get involved?

We are always looking for people who love Jesus and want to share that love with the children and families of our church. If you are interested in serving we have a variety of ways you can get involved and would love to meet with you to talk about what that could look like. Please let us know if you are interested!
