**MEET IN ITALY FOR LIFE SCIENCES 2023**  
**FINAL EVENT**

31st October 2023  
Palazzo Mezzanotte - Milan

**Meet your next partner at one of the largest Life Sciences partnering events in Europe**

This event ends the entire journey of **Meet in Italy for Life Sciences 2023** and will be an important opportunity to meet in person, in the historic headquarters of the Milan Stock Exchange, the Italian and International players to develop new synergies. The event will leave room for speeches by different actors in the Life Sciences sector, from research to finance. In the meantime, you will be able to wander through the networking spaces and create new collaborations.

*WHEN?*  
**31ST OCTOBER 2023**

*WHERE?*  
**MILAN, PALAZZO MEZZANOTTE**

Will participate:

RESEARCH AND ACADEMIA 

STARTUPS 

ENTERPRISES 

FINANCE 

The Final Event will also continue in the evening with a **Gala dinner**, during which the **Startup Breeding 2023 awarding ceremony** and the latest speeches will take place. [Discover all the sponsorship services here.](#)
