Apple Shaped Dog Treats

HOW TO MAKE:

1. Preheat your oven to 350 degrees F and prepare a baking sheet.
2. Mash your banana into a bowl and set aside.
3. If using oats, place oats in a blender to create oat flour. You may need about 1/2 cup more oats to produce 3 cups.
4. Once you have oat flour, place it into the bowl with your mashed banana. Add in your remaining ingredients and mix to combine.
5. Flour your surface and roll your dough out until it is about 1/2 inch in thickness. Add more flour as needed to allow for easy rolling.
6. Using your cookie cutter, cut your treats out of your dough, and lay them on the baking sheet.
7. Bake in the oven for 15-20 minutes. Allow them to cool completely before sharing them with your favorite pup!
