

HOMEMADE KINETIC SAND

With just 4 household items, you can make this soft, moldable sand that provides hours of fun sensory play!

WHAT YOU'LL NEED:

- 2.5 cups fine sand
- 1.5 cups cornstarch
- ½ cup oil
- Food coloring

INSTRUCTIONS:

1. Mix sand and cornstarch together completely in bowl.
2. Add oil and a couple drops of your favorite color food coloring and mix well.
3. When there are no oily and dry spots, the sand is ready for play time!
