

SCHOOL YEAR TIME CAPSULE .

Create your kiddo's very own time capsule to fill with all their school memories throughout the year.

WHAT YOU'LL NEED:

- Shoe box or other container
- Construction paper
- Scissors
- Glue
- Markers
- All About Me sheet
- Pictures

INSTRUCTIONS:

1. Assist your kiddo with cutting and gluing your construction paper to cover your shoe box.
2. Decorate the shoe box with your kiddo's favorite things like animals, colors, and characters. Include the grade your kiddo is starting on the lid.
3. Print and fill out an extra All About Me sheet. Put it in your box along with a photo of the first day of school.
4. Throughout the school year, add in memorabilia and trinkets. Items like movie tickets from a field trip, cards from friends, favorite art projects, and anything that reminds your kiddo of school memories.
5. At the end of the year, look through the box together and enjoy the memories of the school year!
