Step 4: When the caller has selected the first Happy Apple Bingo card they will announce it to the players. You will then need to check your bingo card to see if you have that Happy Apple. If you do, you can mark it off on your card.

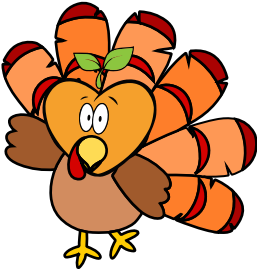

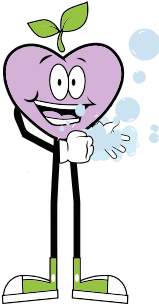

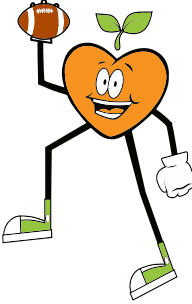

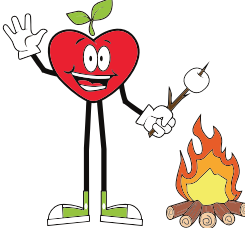

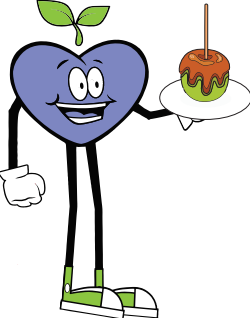

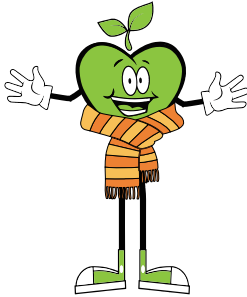

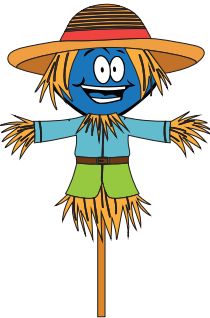

When playing Happy Apple Bingo there are several ways you can win bingo:

- 1. Four Corners – Mark off the numbers in all four corners of your bingo card.**
- 2. Line – Mark off a horizontal, vertical, or diagonal line of five numbers.**
- 3. Two Lines – Mark off two horizontal lines of five numbers.**
- 4. Full House – Mark off all the numbers on the card.**

Step 5: Once you have reached one of these outcomes on your Happy Apple bingo card you can call out “Bingo!”

The caller then checks the player’s board to see whether they do, in fact, have Happy Apple Bingo. If they do, all players clear their cards, and a new game begins.
