

# GOING TO A HOLIDAY PARTY

I'm going to a holiday party! At a holiday party, we can see friends and family gathered to celebrate the holiday together. Holiday parties are not always on the day of the actual holiday. Sometimes they can be before or after.

At the party, they may have:

People dressing in  
holiday attire

Fun snacks  
to eat

Games to  
play

Holiday music  
playing

If the party is too loud, I can wear my  
headphones or take a break in another room.

Depending on the holiday, we might also exchange  
gifts. If I receive a gift, I can say or sign "Thank you!"

If I give a gift and someone says, "Thank you!"  
I can say or sign "You're welcome!"

There might also be a big dinner that we eat at the holiday  
party. When we sit at the table to eat, I will have calm  
voice and calm body, so we can all enjoy our meal.

Holiday parties are a fun way to celebrate  
the holiday with friends and family!
