

SUPER BOWL SUNDAY

I'm going to a Super Bowl Party! At the Super Bowl party, we will watch the biggest football game of the year.

The game can last about 4 hours, and there's a special musical performance called the half time show.

The Super Bowl part may have:

Many people in Super bowl gear

Decoration in the colors of the teams playing the game

A lot of different snacks to eat

During the game, there may be moments when people cheer for the team. I can join everyone in cheering for the team by:

Clapping my hands

Saying "Yay!"

Putting my hands in the air

If the party is too loud, I can ask to wear my headphones or take a break in another room. Whether our team wins or loses, watching the Super Bowl with friends and family is so much fun!
