

# TELL A FAIRY TALE SILLY BLANK

Once upon a time, there was a \_\_\_\_\_ Happy  
Apple who lived with all his \_\_\_\_\_ friends in the  
Apple Orchard. One day, the Happy Apple got lost on his  
way to \_\_\_\_\_. He did not get scared because he  
remembered what his \_\_\_\_\_ Happy Apple mom  
told him to do if he got lost. The Happy Apple needed to  
\_\_\_\_\_ and find a safe adult to help him return  
home to the Apple Orchard. The safe adult he found was  
a \_\_\_\_\_, \_\_\_\_\_ Happy Apple that lived  
in \_\_\_\_\_. She said she would help him get back  
home with the power of her \_\_\_\_\_, which  
moved at the speed of light. When the Happy Apple made  
it home, he thanked the safe adult for her help and  
\_\_\_\_\_ when he saw all of his \_\_\_\_\_  
friends waiting for him!
