

# Easter Egg Hunt Social Story

On Easter Day we might go on an Easter Egg Hunt!

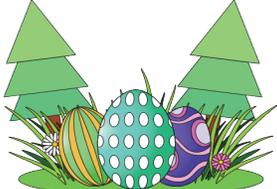

I'll need a bag or a basket to collect my Easter Eggs.

When the hunt is about to begin, I will wait for an adult to say, "Go!"

The eggs might be on the ground, near a tree, or even on a chair.

When I find an egg, I will put the egg in my basket

After the hunt is over, I can count all my eggs to see how many I found!

My parents might check each of the eggs so we can see what's inside.

Then I can enjoy the treats in my Easter Eggs!
