

CRITTER CORNER BOOKMARKS

This cute craft is perfect not only for practicing fine motor skills but also for promoting a love for reading!

WHAT YOU'LL NEED:

- Construction paper
- Scissors
- Glue
- Googly eyes
- Markers/color pencils

INSTRUCTIONS:

1. Fold a sheet of construction paper diagonally and cut off the bottom so you're left with a square.
2. Once you have a square, fold the square in half diagonally.
3. Fold the right corner down to the bottom corner.
4. Repeat with the left corner.
5. Unfold the corners and fold a piece of the bottom corner to the top.
6. Fold the right corner to the top.
7. Repeat with the left corner.
8. Unfold the corners and fold the right corner down and under the flap.
9. Repeat with the left corner.
10. Decorate your bookmark to look like your favorite critter using markers, gems, or any other items you like!
