Using Your Patient Portal
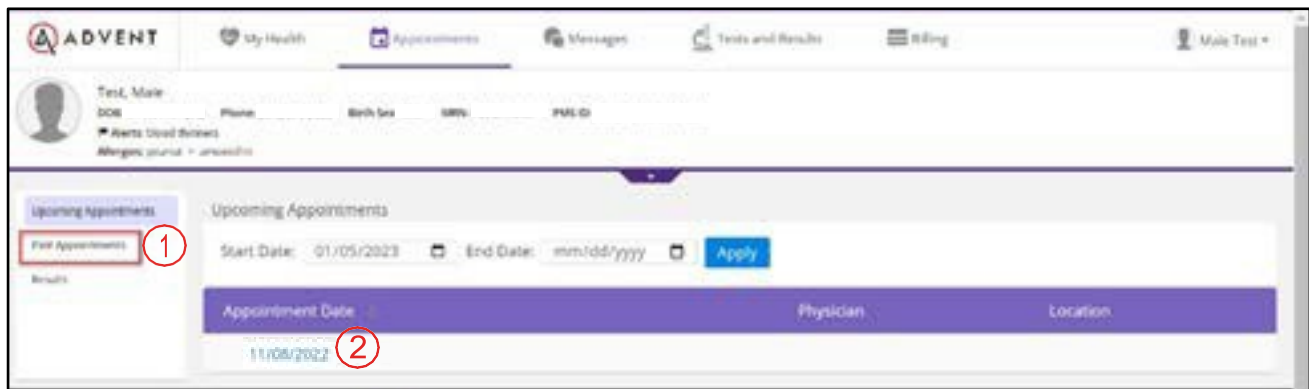

ADVENT

Accessing the Patient Portal

You will receive an email to activate your ADVENT Patient Portal. Please activate your patient portal as soon as possible upon receiving this email.

- Access URL: https://advent.modmedapp.com/ema/PatientLogin.action
  - Select *Patient Login*
  - Log in with username and password or using the Passcode Login
    - Passcode Login can be used by verifying First Name, Last Name, Date of Birth, and Email
    - Once verified you will enter your phone number and select 'Send Code'
    - Once the code is received this can be entered to access your Patient Portal
    - If you would like to login with the username and password, please choose 'Login with username'

Utilizing the Patient Portal

- Patients can view their Visit Notes and any Test Results the provider has posted:

- Records can be found by selecting *Past Appointments (1)* from the side bar. Select the *Blue Hyperlink (2)* with the date and time of the visit. The notes can be downloaded and/or printed.

- Sleep Study Interpretations, CT and Tx Planning Interpretations, and Pathology can be found under *Tests and Results (3)* at the top or *Results (4)* from the left bar of the appointments screen. *(NOTE: CT Images not available in portal.)*
