Description of Amended Information

The reason for the filing of this amendment is because the expenditures for check number 519 and 520 were initially listed incorrectly. The initial entries listed those check amounts as \$299.99 when they should have been \$299.00. This was not caught until I went to file the current report and the totals were off by \$1.98. When I went back to review why, I noticed the above-mentioned amounts were incorrect.
