

MISSION & IMPACT

Mission Statement

Our mission for this tournament is to bring together community members, local businesses, and supporters of law enforcement for a meaningful event focused on strengthening community partnerships while raising funds that positively impact both our officers and the community, we serve.

Supporting Those Who Protect & Serve Murrieta

Murrieta is more than just a city — it is a community built on safety, family values, and strong local partnerships. Many of the dedicated men and women of the Murrieta Police Department proudly call this community home, sharing the same neighborhoods, schools, and businesses they work each day to protect. The relationship between our officers and the community is essential in preserving the quality of life that makes Murrieta the "Gem of the Valley."

The Murrieta Police Officers Association (MPOA) Widows & Orphans Fund exists to support our officers and their families during life's most difficult moments. In the tragic event of an officer's death or a serious line-of-duty injury, the fund provides immediate financial assistance to officers, spouses, children, and beneficiaries when they need it most. While traditional benefits and support systems can take time, the Widows & Orphans Fund allows the MPOA to respond quickly and directly, helping relieve some of the financial burden during times of crisis and uncertainty.

Funds raised through this event will also help support several community-centered programs and outreach efforts that strengthen the bond between the Murrieta Police Department and the citizens we serve.

One of these programs is the Murrieta K9 Trials, a highly anticipated event that showcases the professionalism, training, and teamwork of law enforcement K9 units while providing a fun and engaging experience for the community. The event highlights the exceptional work of our K9 Team and brings positive attention to both our city and police department.

Additionally, proceeds will support the Murrieta Police Explorer Program, a program the department takes tremendous pride in. The Explorer Program provides local youth with mentorship, leadership development, life skills, and firsthand exposure to careers in law enforcement and public service. Our Explorers regularly compete in regional competitions, demonstrating remarkable professionalism, discipline, and knowledge. Donations help offset the costs associated with training, equipment, travel, and participation in these valuable opportunities.

Your generous support directly impacts the officers who protect this community, the families who stand beside them, and the youth who represent the future of Murrieta. Together, we can continue building a safer, stronger, and more connected community for generations to come.

On behalf of the Murrieta Police Officers Association, thank you for your continued support, generosity, and commitment to those who serve our city every day.
