

Apple Creek Ladies League A.C.L.L.

General Rules

- We will allow for approximately 150 ladies to play in the league.
- Ladies League Annual Registration Fee for 2026: **\$55.00**. The first 150 ladies to submit registration forms and have their payment processed will be confirmed for the league. Submitting your registration without payment does not guarantee your spot.
- The payment of \$55.00 helps to boost the weekly prize and offset some of the Windup fee – additional payment will be required to participate in the Windup.
- Tentative start date is scheduled for Tuesday May 5th, 2026.
- Last regular league day will be Tuesday September 8th, 2026.
- ACLL members must be 18 years of age and older.

Tournament

- Based on weekly turnout and funding throughout the season, we will determine the additional amount to be charged for the Windup by August 15th, 2026.
- Our year-end tournament date is to be determined. However, it will be held on a Saturday once the date is confirmed.
- **League members who have played a minimum of 5 times during the league season, will be guaranteed entry into the year-end tournament.** League members who played less than 5 times, will then be able to fill remaining spots.
- There is no formal sit-down banquet following the 18 hole round. Tournament food services will be provided either before, or during the round.

Booking

- We play every Tuesday, with Tee-Times starting at **2:00pm**.
- Tee times are booked for the following week on sign-up sheets every Tuesday upon arrival at the course. If you are unable to book in-person, you may call the next morning (Wednesday) to book tee times. **403-912-2191 ext.0**
- 18-Holes may only be played during tee times designated on the sign-up sheets (between 2:00pm – 3:30pm) otherwise, majority of league players will play 9 holes.
- Occasionally we will have a back 9 start, so ladies that play 9 holes may have an opportunity to play the back 9.
- **If you cannot make your Tee-Time, please call 403-912-2191 ext.0 to cancel.**

Guests

- Ladies League members are permitted to bring a non-member guest a maximum of 2x during the league season. The guest pays the Ladies League rate but does not pay the \$5.00 prize fee and is not eligible for prizes. They are welcome to play the game with you/your group just for fun.

Prizing

- Each week we will have a different "game" and allocate prizes accordingly. Prize pool fee will be **\$5.00 per week**. Games will be skill and luck based.
- Ladies League Prizes will be awarded weekly for the winners of the games. The prize amount will be added to your account as credit to spend in the Pro Shop. The number of winners per week is based on the number of ladies participating in play for that Tuesday. Prize payouts are set to \$20.00 per winner, per week.
- Weekly Game Prize winnings can be redeemed in the Pro Shop for Merchandise. They cannot be used for Green Fees, Power Carts, weekly Prize fees, or in the Restaurant, Arcade, or Snack Shack.
- On weeks when we have a minimal number of ladies showing up on Tuesday to golf, we will carry over the prize fee to the following Tuesday. If the ladies that showed up paid their prize fee, then their funds will carry forward to the next week.

- Everyone has a different opinion on what poor or bad weather means. Most times the weather is fine at Apple Creek but may be poor at your location. Please call the Pro Shop if you are uncertain. If you decide to not come for your tee time, you **must call to cancel** your tee time.
