Welcome to The Fife Whisky Festival at the Corn Exchange, Cupar!

The Fife Whisky Festival not only showcases the renaissance of whisky making in Fife but also brings together whisky lovers and producers from across Scotland and beyond.

Launched by businesswomen Justine Hazlehurst of Kask Whisky and Karen Somerville formerly of Angels' Share Glass and now KS Consulting who, after years of attending whisky festivals around the world, are delighted to bring this exciting event to Scotland for the eighth year running.

You'll have the opportunity to sample some of the very best whiskies currently available and talk to our exhibitors.

Members of the Fife Whisky Festival team will be on hand to answer questions about the venue and its facilities and to provide help if required.

Have a fantastic festival!

Slàinte!

HOW TO ENJOY THE FIFE WHISKY FESTIVAL

To ensure that you enjoy the festival and that we adhere to Scottish licensing laws:

- Please use the Fife Whisky Festival glass provided for sampling. Your ticket entitles you to one free glass. Please ask a member of the team if you need a replacement.
- Please sample responsibly: pace your sampling and know the strength of the whisky you're trying.
- Drink plenty of water (to cleanse your palate and to stay hydrated).
- You can use the spittoons provided.
- If you break your free glass, you are asked to donate £5 to Age Concern Cupar for a replacement.
- Don't be rude: exhibitors have the right to refuse to serve you.
- The last pour will be 15 minutes before the end of the session. Please do not ask an exhibitor for a sample after this. Make your way to the exit.
- If you appear to have consumed too much alcohol, you may be asked to leave. You will not be allowed to buy bottles or collect earlier purchases.
- The Fife Whisky Festival is an over-18-only event and we operate a Challenge 25 policy. You may be asked to show valid ID by the event staff.
- We will not tolerate abusive, lewd or any inappropriate language or behaviour towards exhibitors and staff. If doing so, you will be asked to leave.

FESTIVAL BOTTLING

2026
£74.99

Distilled at Fife's very own Lindores Abbey Distillery, this 7 year old single malt was initially matured in an ex bourbon cask before being re-racked into a second fill sherry quarter cask.

The whisky has been bottled at 59.9% abv with an outturn of just 80 bottles.

This is one of the oldest Lindores releases to date, showcasing the exceptional spirit from one of Fife's best-loved distilleries!

***OPENING THE CASE:
THE AFFAIRS OF PATTISONS' WHISKY***

by Justine Hazlehurst

**AVAILABLE
TO ORDER
ONLINE**

When brothers Robert and Walter Pattison took control of their father's business, their ambitious and audacious moves triggered the infamous "whisky crash" of 1898 — a disaster that not only marked the end of Scotch whisky's golden era but also lit the fuse to one of the biggest scandals in its history.

Yet the Pattisons were more than just two brothers at the helm of a failed empire; they were a family — real people navigating the ebb and flow of life. By the end of the 1890s, however, the tide had well and truly turned against them.

Opening The Case: The Affairs of Pattisons' Whisky is the culmination of four years of dedicated writing and extensive research, revealing new findings about the Pattisons during this tumultuous time in the history of Scotch whisky – some of which have never been published before.
