

NOTICE OF PROPOSED CLASS LITIGATION SETTLEMENT

United States District Court for the Northern District of Texas

In Re: AT&T Inc. Customer Data Security Breach Litigation

MDL Docket No. 3:24-md-03114-E

A Court has authorized this Long-Form Notice (“Notice”). This is not a solicitation from a lawyer.

IF YOU ARE A PERSON IN THE UNITED STATES WHOSE DATA ELEMENTS WERE INCLUDED IN THE AT&T 1 DATA INCIDENT THAT WAS ANNOUNCED ON MARCH 30, 2024, AND/OR ARE AN ACCOUNT OWNER OR LINE OR END USER WHOSE DATA ELEMENTS WERE INVOLVED IN THE AT&T 2 DATA INCIDENT THAT WAS ANNOUNCED ON JULY 12, 2024, YOU MAY BE ELIGIBLE TO RECEIVE SETTLEMENT CLASS MEMBER BENEFITS FROM A CLASS ACTION SETTLEMENT.

On March 30, 2024, AT&T announced that AT&T-specific fields were contained in a data set released on the dark web (“AT&T 1 Data Incident”). Following AT&T’s announcement of the AT&T 1 Data Incident, lawsuits were filed against AT&T in state and federal courts across the country. The lawsuits were consolidated before Judge Ada E. Brown in the Northern District of Texas in June 2024 and captioned, *In re AT&T Inc. Customer Data Sec. Breach Litigation*, MDL Docket No. 3:24-md-03114-E.

Then, on July 12, 2024, AT&T announced a second data incident where certain limited data had been illegally downloaded from an AT&T workspace on a third-party cloud platform hosted by Snowflake, Inc. (“AT&T 2 Data Incident”). Following AT&T’s announcement of the AT&T 2 Data Incident, lawsuits were filed against various entities including AT&T entities. The lawsuits were consolidated before Judge Brian Morris in the District of Montana in October 2024 and captioned *In Re Snowflake, Inc. Data Breach Litigation*, MDL Docket No. 3:24-md-3126.

The Parties in the lawsuits concerning both the AT&T 1 Data Incident and the AT&T 2 Data Incident (together, “Actions”) agreed in March 2025 to settle the Actions together in the Northern District of Texas before Judge Ada E. Brown. On May 30, 2025, the AT&T 1 Plaintiffs and AT&T 2 Plaintiffs filed the Consolidated Class Action Complaint against AT&T, asserting claims that arose out of the Data Incidents.

The Parties now agree to settle the Actions entirely, without any admission of liability or wrongdoing.

Who is a Settlement Class Member? There are two Settlement Classes:

- 1) **AT&T 1 Settlement Class:** All living persons in the United States whose Data Elements (which include some combination of names, addresses, telephone numbers, email addresses, dates of birth, account passcodes, billing account numbers, and Social Security numbers) were included in the AT&T 1 Data Incident, announced on March 30, 2024; AND
- 2) **AT&T 2 Settlement Class:** AT&T Account Owners or Line or End Users whose AT&T 2 Data Elements were involved in the AT&T 2 Data Incident. AT&T 2 Data Elements means telephone numbers of current and former AT&T customers, including, but not limited to, Account Owners or Line Users, which may have been accessible in the AT&T 2 Data Incident, along with the telephone numbers with which those customers interacted, counts of those interactions, aggregate call durations for a day or month, and for a small subset of individuals, one or more cell site identification numbers associated with the interactions.

Settlement Class Members will be eligible to receive Settlement Class Member Benefits based on the Settlement Class(es) they are in:

❖ **AT&T 1 Settlement Class:**

All AT&T 1 Settlement Class Members are eligible for either a **Documented Loss Cash Payment** or a **Tier 1 or Tier 2 Cash Payment** as follows:

- **Documented Loss Cash Payment** – Each AT&T 1 Settlement Class Member may submit a Claim for a Documented Loss Cash Payment of **up to \$5,000** for losses that occurred in 2019, or later, upon presentation of documentation that the losses are fairly traceable to the AT&T 1 Data Incident; **OR**
- **Tier Cash Payment** – As an alternative to a Documented Loss Cash Payment, each AT&T 1 Settlement Class Member may submit a Claim for a Tier Cash Payment. A Tier Cash Payment is a *pro rata* share of the AT&T 1 Net Settlement Fund cash (the funds left after payment of Settlement Administration Costs, Attorneys' Fees, Costs, and Service Awards). There are two types of Tier Cash Payments (Tier 1 Cash Payment and Tier 2 Cash Payment) and your eligibility for one or the other is based on whether you are a Tier 1 Settlement Class Member or a Tier 2 Settlement Class Member.
 - **Tier 1 Cash Payment** – An AT&T 1 Settlement Class Member who had their Social Security Number (“SSN”) included in the AT&T 1 Data Incident (also known as a “Tier 1 Settlement Class Member”), is eligible to make a Claim for a Tier 1 Cash Payment. Tier 1 Cash Payments shall be five (5) times the amount of a Tier 2 Cash Payment;
 - **Tier 2 Cash Payment** – An AT&T 1 Settlement Class Member who had their Data Elements included in the AT&T 1 Data Incident, but not their SSN, is eligible to make a Claim for a Tier 2 Cash Payment.

The Amount of the Net Settlement available for Settlement Class Member distribution is unknown at this time and will be based upon the amount of the Settlement Administration Costs, the amount of attorneys' fees, costs, and Service Awards, and the number of Valid Claims received from Settlement Class Members.

❖ **AT&T 2 Settlement Class:**

All AT&T 2 Settlement Class Members are eligible for a **Documented Loss Cash Payment**, and some Settlement Class Members may alternatively choose a **Tier 3 Cash Payment**.

- **Documented Loss Cash Payment** – Each AT&T 2 Settlement Class Member may submit a Claim for a Documented Loss Cash Payment of **up to \$2,500** per AT&T 2 Settlement Class Member for losses that occurred on or after April 14, 2024, upon presentation of documentation that the losses are fairly traceable to the AT&T 2 Data Incident. Account Owners may submit Claims for themselves and on behalf of their End or Line Users.
- **Tier 3 Cash Payment** – As an alternative to a Documented Loss Cash Payment, Account Owners may submit a Claim for a Tier 3 Cash Payment. A Tier 3 Cash Payment is a *pro rata* share of the AT&T 2 Net Settlement Fund cash (the funds left after payment of Settlement Administration Costs, Attorneys' Fees, Costs, and Service Awards). The Amount of the Net Settlement available for Settlement Class

Member distribution is unknown at this time and will be based upon the amount of the Settlement Administration Costs, the amount of attorneys' fees, costs, and Service Awards, and the number of Valid Claims received from Settlement Class Members.

- ❖ **Overlap Settlement Class Member:** An Overlap Settlement Class Member is eligible for Settlement Class Member Benefits as both an AT&T 1 Settlement Class Member and an AT&T 2 Settlement Class Member. If claiming for a Documented Loss Cash Payment for the AT&T 1 Data Incident and a Documented Loss Cash Payment for the AT&T 2 Data Incident, **the documentation for each Documented Loss Cash Payment must be unique**, meaning a Settlement Class Member may only use the information supporting a Documented Loss Cash Payment once.

BASIC INFORMATION

1. Why is there a Notice?

The Court authorized this Notice because you have a right to know about the Settlement, and all of your options, before the Court decides whether to grant Final Approval and make the Settlement final. This Notice explains the nature of the lawsuit that is the subject of the Settlement, the general terms of the Settlement, and your legal rights and options.

The Honorable Judge Ada E. Brown of the United States District Court for the Northern District of Texas is overseeing this case captioned as *In re: AT&T Inc. Customer Data Security Breach Litigation*, MDL Docket No. 3:24-md-03114-E. The people who brought the lawsuit are called the Class Representatives. The entities being sued—AT&T Inc., AT&T Mobility LLC, AT&T Corporation, DirecTV, LLC, AT&T Services, Inc., and Cricket Wireless LLC—are called the Defendants.

2. What are the Actions about?

On March 30, 2024, AT&T announced that AT&T-specific fields were contained in a data set released on the dark web (“AT&T 1 Data Incident”). Following AT&T’s announcement of the AT&T 1 Data Incident, lawsuits were filed against AT&T in state and federal courts across the country. The lawsuits were consolidated before Judge Ada E. Brown in the Northern District of Texas in June 2024 and captioned, *In re AT&T Inc. Customer Data Sec. Breach Litigation*, MDL Docket No. 3:24-md-03114-E.

Then, on July 12, 2024, AT&T announced a second data incident where certain limited data had been illegally downloaded from an AT&T workspace on a third-party cloud platform hosted by Snowflake, Inc. (“AT&T 2 Data Incident”). Following AT&T’s announcement of the AT&T 2 Data Incident, lawsuits were filed against various entities including AT&T entities. The lawsuits were consolidated before Judge Brian Morris in the District of Montana in October 2024 and captioned *In Re Snowflake, Inc. Data Breach Litigation*, MDL Docket No. 3:24-md-3126.

The Parties in both the AT&T 1 Data Incident and the AT&T 2 Data Incident (the “Actions”) agreed in March 2025 to settle both of the Data Incidents together in the Northern District of Texas with Judge Ada E. Brown. On May 30, 2025, the AT&T 1 Plaintiffs and AT&T 2 Plaintiffs filed the Consolidated Class Action Complaint against AT&T, asserting claims that arose out of the Data Incidents.

3. Why is this a class action?

In a class action, one or more people—referred to as “Class Representatives”—file a lawsuit bringing claims on behalf of all people who have similar claims. Together, these people are referred to as a “Settlement Class,” and the individuals in the Settlement Class are called “Settlement Class Members.” One court resolves the claims for all Settlement Class Members, except for those who individuals who choose to exclude themselves (also known as opt-out) from the Settlement Class.

4. Why is there a Settlement?

The Court has not decided in favor of the Class Representatives or Defendants. Instead, both sides have agreed to this Settlement. The Settlement avoids the cost and risk of a trial and related appeals, while providing benefits to Settlement Class Members. The Settlement Class Representatives appointed to represent the Settlement Class, and the attorneys for the Settlement Class (also referred to as “Class Counsel”) believe the Settlement is in the best interests of all Settlement Class Members.

It is understood that if a Released Party is not a party to the Settlement Agreement, all such Released Parties are intended third-party beneficiaries of the Settlement Agreement and may enforce the Settlement Agreement as if they were parties to the Settlement Agreement. This release is described in Section XVI of the Settlement Agreement, known as Releases, which is available at www.telecomdatasettlement.com. If you have any questions, you can talk to the law firms listed in Question 16 for free or you can talk to your own lawyer.

11. If I exclude myself, can I get a benefit from this Settlement?

No. If you exclude yourself, you will not be entitled to receive any benefits from the Settlement.

12. If I do not exclude myself, can I sue the Released Parties for the same thing later?

15. What is the difference between objecting and asking to be excluded?

Objecting is telling the Court that you do not like the Settlement or parts of it and why you do not think it should be approved. You can object only if you are a Settlement Class Member. Excluding yourself or opting-out is telling the Court that you do not want to be part of the Settlement Class and do not want to receive any payment from the Settlement. If you exclude yourself, you have no basis to object because you are no longer a Settlement Class Member, and the case no longer affects you.

THE LAWYERS REPRESENTING YOU

16. Do I have a lawyer in this case?

Yes. AT&T 1 Class Counsel means Mark Lanier, Chris Seeger, Shauna Itri, Jean Martin, James Cecchi, and Sean Modjarrad, and AT&T 2 Class Counsel means Jeff Ostrow, Jason Rathod, Devlan Geddes, John Heenan, and Raph Graybill as Class Counsel to represent the Settlement Class. If you want to be represented by your own lawyer, you may hire one at your own expense.

17. How will the lawyers be paid?

AT&T 1 Class Counsel and AT&T 2 Class Counsel shall apply, separately or jointly (upon agreement by Class Counsel), to the Court for an award of attorneys' fees expressed as a percentage of the total value conferred by the Settlement on the Settlement Classes of up to one-third of the respective Settlement Funds, plus reimbursement of costs incurred in prosecuting and settling the Actions.

Class Counsel shall apply to the Court for Service Awards for the Class Representatives not to exceed \$1,500 per individual, in recognition of his contributions to these Actions. The Service Awards approved by the Court shall be paid out of the respective Action's Settlement Fund.

THE COURT'S FINAL APPROVAL HEARING

18. When and where will the Court decide whether to approve the Settlement?

The Court may hold a Final Approval Hearing at **9:00 a.m. CT on December 3, 2025**, at the United States District Court for the Northern District of Texas, 1100 Commerce Street, Dallas, TX 75242 as ordered by the Court. At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. If there are timely and valid objections, the Court will consider them. The Court will also rule on any motion seeking payment of reasonable attorneys' fees and expenses for Class Counsel, as well as Service Awards for the Class Representatives. After the hearing, the Court will decide whether to approve the Settlement. We do not know how long these decisions will take. The hearing may be moved to a different date or time without additional notice.

19. Do I have to attend the hearing?

No. Class Counsel will represent the Settlement Class before the Court. You or your own lawyer are welcome to attend at your expense, but you are not required to do so. If you send an objection, you do not have to visit the Court to talk about it. As long as you filed your written objection on time with the Court and mailed it according to the instructions provided in Question 14, the Court will consider it.

20. May I speak at the hearing?

You may ask the Court for permission to speak at the Final Approval Hearing. To do so, you must file an objection according to the instructions in Question 14, including all the information required.

IF YOU DO NOTHING

21. What happens if I do nothing?

If you do nothing, you will not receive any benefits from this Settlement. If the Settlement is granted Final Approval and becomes final, you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against Defendants or the other Released Parties based on any claim that could have been or that was brought relating to the Data Incidents.
