

**NOTICE OF PROPOSED CLASS ACTION SETTLEMENT
UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF OHIO
WESTERN DIVISION**

***Tate, et al. v. EyeMed Vision Care, LLC*, Case No. 1:21-cv-36
A Court has authorized this notice. This is not a solicitation from a lawyer.**

**If You Were Subject to the EyeMed Vision Care, LLC (“EyeMed”) Data Incident and
Previously Received a Notice Letter Notifying You of the Data Incident, You Could be Eligible
for a Payment from a Class Action Settlement**

- You may be eligible to receive a payment from a proposed \$5,000,000 non-reversionary class action settlement (the “Settlement Fund”).
- The class action lawsuit concerns a data incident experienced by EyeMed in June 2020 (the “Data Incident”) involving EyeMed in which it was determined that an unauthorized third party may have gained access to certain EyeMed files containing customers’ names, contact details, dates of birth, health insurance account and identification numbers, Medicaid or Medicare numbers, driver’s licenses, and other government identification numbers (collectively referred to in this Settlement as “Personal Data”). EyeMed denies any wrongdoing and denies that it has any liability but has agreed to settle the lawsuit on a class wide basis.
- To be eligible to make a Claim, you must have received a notice letter of the EyeMed Data Incident that occurred in June 2020.
- Eligible Claimants under the Settlement Agreement will be eligible to receive one, two, and/or three of the following Settlement benefits:
 - ❖ **Pro Rata Cash Payment:** \$50 (estimated) cash payment from the Settlement Fund that will be increased or decreased *pro rata* depending on the amount remaining in the Settlement Fund after allocation of the Settlement Fund for reimbursement of documented Out-of-Pocket Loss Claims, payments for Lost Time Claims, attorneys’ fees and expenses, and notice and Cost of Settlement Administration.
 - ❖ **Lost Time:** Compensation of up to \$100 for time spent dealing with issues related to the Data Incident, including but not limited to reviewing your accounts, enrolling in credit protection services, or responding to fraud, identity theft, or other alleged misuse of your personal information that is fairly traceable to the Data Incident. Claims for lost time can be combined with Out-of-Pocket Loss Claims but are subject to the \$10,000 cap. All payments to Class Members for Valid Claims under the settlement might be reduced *pro rata*, including those for Out-of-Pocket Losses and Lost Time, depending on the total number of Valid Claims submitted.
 - ❖ **Out-of-Pocket Expenses:** Reimbursement for the actual amount of unreimbursed out-of-pocket Monetary Losses up to \$10,000, with supporting documentation of the Monetary Losses or expenses.

- For more information or to submit a Claim visit **www.eyemeddatasettlement.com** or call (833) 621-8389.

BASIC INFORMATION

1. Why is there a notice?

The Court authorized this notice because you have a right to know about the Settlement, and all of your options, before the Court decides whether to give “final approval” to the Settlement. This notice explains the nature of the lawsuit that is the subject of the Settlement, the general terms of the Settlement, and your legal rights and options.

Judge Douglas R. Cole of the United States District Court for the Southern District of Ohio is the judge for the case captioned as *Tate, et al. v. EyeMed Vision Care, LLC*, Case No. 1:21-cv-36. The individuals who brought the lawsuit, Plaintiffs Chandra Tate, Barbara Whittom, and Alexis Wynn, are called the Plaintiffs. The entity being sued, EyeMed, is called the Defendant.

2. What is this lawsuit about?

The lawsuit claims that Defendant was responsible for the Data Incident and that Plaintiffs were injured as a result of the Data Incident.

Defendant denies these claims and says it did not do anything wrong. No Court or other judicial entity has made any judgment or other determination that Defendant has any liability for these claims or did anything wrong.

3. Why is this lawsuit a class action?

In a class action, one or more people called class representatives or representative plaintiffs sue on behalf of all people who have similar claims. Together, all of these people are called a class, and the individuals are called class members. One court resolves the issues for all class members, except for those who exclude themselves from the class.

4. Why is there a Settlement?

The Court has not decided in favor of the Plaintiffs or Defendant. Instead, both sides agreed to the Settlement. The Settlement avoids the cost and risk of a trial and related appeals, while providing benefits to members of the Class (Class Members). The Class Representatives appointed to represent the Class and the attorneys for the Class (Class Counsel, see Question 18) think the Settlement is best for all Class Members.

WHO IS IN THE SETTLEMENT?

5. How do I know if I am part of the Settlement?

You are affected by the Settlement and potentially a member of the Settlement Class if you reside in the United States and are Person to whom EyeMed issued notice of the Data Incident that certain Personal Data was impacted in the Data Incident.

Only Class Members are eligible to receive benefits under the Settlement. Specifically excluded from the Settlement Class are (1) the judge presiding over the class action lawsuit and his direct family members; (2) the Defendant, its subsidiaries, parent companies, successors, predecessors, and any entity in which the Defendant or its parents have a controlling interest and their current or former officers, directors, and employees; and (3) Class Members who submit a valid request for exclusion prior to the Opt-Out Date.

6. What if I am not sure whether I am included in the Settlement?

If you are not sure whether you are included in the Settlement, you may call **(833) 621-8389** with questions. You may also write with questions to:

THE SETTLEMENT BENEFITS – WHAT YOU GET IF YOU QUALIFY

7. What does the Settlement provide?

The Settlement provides that Defendant will fund the following payments up to a total of \$5,000,000. (a) a *pro rata* estimated \$50 payment, subject to adjustment as set forth below; (b) \$25 per hour for up to 4 hours, up to a total of \$100, for Class Members who attest that the time claimed was actually spent as a result of the Data Incident; and (c) up to \$10,000 for reimbursement of your documented out-of-pocket Monetary Losses reasonably traceable to the Data Incident. The up to \$100 for lost time is included in the \$10,000 overall cap for reimbursement of documented out-of-pocket expenses. The potential \$50 *pro rata* payment is in addition to the \$10,000 cap for reimbursement of out-of-pocket expenses.

The estimated \$50 *pro rata* payment will be dispersed after the distribution of attorneys' fees, Class Counsel's litigation expenses, notice and Cost of Settlement Administration, Service Awards to Class Representatives, and other Settlement benefits to Claimants. The other Settlement benefits are also subject to *pro rata* reduction as needed in the event that the total Claims exceed the \$5,000,000 cap on payments to be made by Defendant, and payments may also be increased on a *pro rata* basis until the Settlement Fund is distributed. Payment of (1) attorneys' fees, costs, and expenses (see Question 19) and (2) the costs of notifying the Settlement Class and administering the Settlement will also be paid out of the Settlement Fund.

The Settlement also provides for Defendant's business practice changes, including, but not limited to, (1) enhanced authorization requirements for individuals with access to Defendant's network; (2) providing additional mandatory security awareness training to Defendant's employees and provided reminders to all employees of the password complexity requirements; (3) updating Defendant's internal password reset requirements; (4) adding additional auditing mechanisms to identify weak passwords; (5) converting the mailbox at issue in the Data Incident to a delegated account; (6) enhanced Defendant's multi-factor authentication protocols; (7) shortening retention period for the mailbox at issue in the Data Incident; and (8) engaging a third-party vendor to perform an updated HIPAA security risk assessment.

After any Settlement payments are distributed to Class Members who submitted Valid Claims under the Settlement, any unredeemed Settlement payments will be treated as Remainder Funds under the Settlement Agreement and will be distributed to the unclaimed property fund of the respective state for each Class Member who submitted a Valid Claim. To the extent the distribution of Remainder Funds to the state unclaimed funds department is economically infeasible (*i.e.* the cost of distributing the funds by the Settlement Administrator is higher or substantially all of the Remainder Funds), the Parties plan to petition the Court for approval of a *cy pres* distribution of the Remainder Funds to the Electronic Privacy Information Center ("EPIC"). EPIC is a non-profit organization focusing on digital and electronic privacy. More information about EPIC may be found by accessing: <https://epic.org/>.

8. What payments are available for reimbursement under the Settlement?

Class Members who submit a Claim are eligible to receive:

- a) A potential residual cash payment of the remainder funds, which is estimated to be \$50 but may adjusted upward or downward *pro rata* based on how many other Claims are made.
- b) Compensation for time spent (lost time) remedying issues related to the Data Incident, up to 4 hours at \$25.00/hour for time spent in response to the Data Incident for a total amount of up to \$100.
- c) Reimbursement of actual, documented, unreimbursed out-of-pocket expenses resulting from the Data Incident (up to \$10,000 in total), such as the following incurred on or after June 24, 2020:
 - Unreimbursed losses relating to fraud or identity theft;
 - Professional fees including attorneys' fees, accountants' fees, and fees for credit repair services;
 - Costs associated with freezing or unfreezing credit with any credit reporting agency;
 - Credit monitoring costs that were incurred on or after the Data Incident through the date of Claim submission;
 - Parking expenses or other transportation expenses for trips to a financial institution to address fraudulent charges or receive a replacement payment card;
 - Instances of verified fraud such as fraudulent bank or credit card charges, fraudulent tax filings, fraudulent opening/closing of bank or credit accounts, unemployment filings, or other fraudulent actions taken using your information from the Data Incident;
 - Miscellaneous expenses such as notary, fax, postage, copying, mileage, fuel, and long-distance telephone charges; and
 - Other expenses that are reasonably attributable to the Data Incident that were not reimbursed.

HOW DO YOU SUBMIT A CLAIM?

9. How do I get a benefit?

To receive a benefit under the Settlement, you must complete and submit a Claim for that benefit. Every Claim must be made on a Claim Form available at www.eyemeddatasettlement.com or by calling (833) 621-8389. Claim Forms will also be sent to Class Members as part of the postcard notice and tear-off Claim Form that will be mailed to Class Members. Read the instructions carefully, fill out the Claim Form, provide the required documentation, and submit it according to the instructions on the Claim Form. Claim Forms must be submitted online or mailed to the Settlement Administrator and postmarked on or before **December 11, 2025**. Claim Forms can be mailed to:

Tate v EyeMed Vision Care LLC
c/o Kroll Settlement Administration LLC
P.O Box 225391
New York, NY 10150-5391

10. How will Claims be decided?

The Settlement Administrator will decide whether and to what extent any Claim made on each Claim Form is valid. The Settlement Administrator may require additional information. If you do not provide the additional information in a timely manner, then the Claim will be considered invalid and will not be paid.

11. When will I get my payment?

The Court will hold a Final Fairness Hearing on **January 7, 2026, at 1:00 p.m. ET** to decide whether to approve the Settlement. If the Court approves the Settlement, there may be appeals from that decision and resolving those can take time, perhaps more than a year. It also takes time for all the Claim Forms to be processed. Please be patient.

WHAT DOES DEFENDANT GET?

12. What am I giving up as part of the Settlement?

The Defendant gets a release from all claims covered by this Settlement. Thus, if the Settlement becomes Final and you do not exclude yourself from the Settlement, you will be a Class Member and you will give up your right to sue Defendant and other persons (“Released Entities”) as to all claims (“Released Claims”) arising out of or relating to the Data Incident. This release is described in the Settlement Agreement, which is available at **www.eyemeddatasettlement.com**. If you have any questions you can talk to the law firms listed in Question 18 for free or you can talk to your own lawyer.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you do not want to be part of this Settlement, then you must take steps to exclude yourself from the Class. This is sometimes referred to as “opting out” of the Class.

13. If I exclude myself, can I get a payment from this Settlement?

No. If you exclude yourself you will not be entitled to receive any benefits from the Settlement, but you will not be bound by any judgment or release in this case.

14. If I do not exclude myself, can I sue Defendant for the same thing later?

No. Unless you exclude yourself, you give up any right to sue Defendant (and any other Released Parties) for the claims that this Settlement resolves. You must exclude yourself from the Class to start your own lawsuit or to be part of any different lawsuit relating to the claims in this case. If you want to exclude yourself, then do not submit a Claim Form to ask for any benefit under the Settlement.

15. How do I exclude myself from the Settlement?

To exclude yourself, send a letter that says you want to be excluded or opt-out from the Settlement in *Tate, et al. v. EyeMed Vision Care, LLC*, Case No. 1:21-cv-36, United States District Court, Southern District of Ohio. The letter must: (a) state your full name, address, and telephone number; (b) contain your personal and original signature or the original signature of a person authorized by law to act on your behalf; and (c) state unequivocally your intent to be excluded from the Settlement. You must mail your exclusion request postmarked by **November 11, 2025**, to:

Tate v EyeMed Vision Care LLC
c/o Kroll Settlement Administration LLC
Attn: Exclusion Request
P.O Box 225391
New York, NY 10150-5391

OBJECTING TO THE SETTLEMENT

16. How do I tell the Court that I do not like the Settlement?

You can tell the Court that you do not agree with the Settlement or some part of it by objecting to the Settlement. The Court will consider your views in its decision on whether to approve the Settlement. The Court can only approve or deny the Settlement and cannot change its terms. To object, you must mail your objection to the Clerk of the Court and the Settlement Administrator, at the mailing addresses listed below, postmarked by **no later** than the Objection Date, **November 11, 2025**:

Court	Settlement Administrator
Office of the Clerk Potter Stewart U.S. Courthouse Room 103 100 East Fifth Street Cincinnati, Ohio 45202	Tate v EyeMed Vision Care LLC c/o Kroll Settlement Administration LLC P.O. Box 225391 New York, NY 10150-5391

Your objection must be written and must include all of the following: (i) the case name and docket number, *Tate, et al. v. EyeMed Vision Care, LLC*, Case No. 1:21-cv-36 (S.D. Ohio); (iii) information identifying the objector as a Class Member, including proof that the objector is a member of the Class (e.g., copy of the objector's settlement notice, copy of original notice of the Data Incident, or a statement explaining why the objector believes he or she is a Class Member); (iv) a written statement of all grounds for the objection, accompanied by any legal support for the objection the objector believes applicable; (v) the identity of any and all counsel representing the objector in connection with the objection; (vi) a statement whether the objector and/or his or her counsel will appear at the Final Fairness Hearing; and (vii) the objector's signature or the signature of the objector's duly authorized attorney or other duly authorized representative (if any) representing him or her in connection with the objection.

17. What is the difference between objecting and asking to be excluded?

Objecting is telling the Court that you do not like the Settlement and why you do not think it should be approved. You can object only if you are a Class Member. Excluding yourself is telling the Court that you do not want to be part of the Class and do not want to receive any payment from the Settlement. If you exclude yourself, then you have no basis to object because you are no longer a member of the Class and the case no longer affects you. If you submit both a valid objection and a valid request to be excluded, you will be deemed to have only submitted the request to be excluded.

THE LAWYERS REPRESENTING YOU

18. Do I have a lawyer in this case?

Yes. The Court appointed Bryan L. Bleichner of Chestnut Cambronne PA and Lori G. Feldman of George Feldman McDonald, PLLC as Class Counsel to represent the Class. If you want to be represented by your own lawyer, then you may hire one at your own expense.

19. How will the lawyers be paid and what are the Class Representative Service Awards?

Class Counsel will ask the Court for an award for attorneys' fees up to \$1,666,666.66 plus litigation expenses not to exceed \$50,000. Defendant has agreed not to object to any award of attorneys' fees, costs, and expenses up to those amounts, to the extent they are approved by the Court. This payment for any attorneys' fees and expenses to Class Counsel will be made out of the Settlement Fund. Any such award would compensate Class Counsel for investigating the facts, litigating the case, and negotiating the Settlement and will be the only payment to them for their efforts in achieving this Settlement and for their risk in undertaking this representation on a wholly contingent basis.

Furthermore, the three Class Representatives will seek up to \$2,500 each as Service Awards for the time and effort they have expended on behalf of the Class in pursuit of this class action lawsuit and in achieving the proposed \$5,000,000 non-reversionary Common Fund settlement.

Any award for attorneys' fees and expenses for Class Counsel and/or Class Representative Service Awards must be approved by the Court. The Court may award less than the amount requested. Class Counsel's papers in support of final approval of the Settlement will be filed no later than **December 24, 2025** and their application for attorneys' fees, costs, and expenses and for Class Representative Service Awards will be filed no later than **October 28, 2025** and will be posted on the Settlement Website.

THE COURT'S FINAL FAIRNESS HEARING

20. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Final Fairness Hearing at 1:00 p.m. ET on **January 7, 2026**, Potter Stewart U.S. Courthouse, Room 801, 100 East Fifth Street, Cincinnati, Ohio 45202 or by remote or virtual means as ordered by the Court. At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. If there are timely and valid objections, then the Court will consider them and will listen to people who have asked to speak at the hearing if such a request has been properly made. The Court will also rule on the request for an award of attorneys' fees and reasonable costs and expenses. After the hearing the Court will decide whether to approve the Settlement. We do not know how long these decisions will take. The hearing may be moved to a different date or time without additional notice, so Class Counsel recommend checking www.eyemeddatasettlement.com or calling (833) 621-8389.

21. Do I have to attend the hearing?

No. Class Counsel will present the Settlement Agreement to the Court. You or your own lawyer are welcome to attend at your expense, but you are not required to do so. If you send an objection, you do not have to visit the Court to talk about it. As long as you filed your written objection on time with the Court and mailed it according to the instructions provided in Question 16, the Court will consider it.

22. May I speak at the hearing?

You may ask the Court for permission to speak at the Final Fairness Hearing. To do so, you must file an objection according to the instructions in Question 16, including all the information required. Your objection must be **mailed** to the Clerk of the Court and Settlement Administrator postmarked no later than **November 11, 2025**.

IF YOU DO NOTHING

23. What happens if I do nothing?

If you do nothing you will not get any money from this Settlement. If the Settlement is granted final approval and the judgment becomes Final, and you are a Member of the Class, then you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against Defendant and the other Released Parties based on any of the Released Claims related to the Data Incident, ever again.
