1. What is this Notice?

This is a Court-authorized Notice of a proposed settlement of a class action, Jacqueline Horton, et al. v. Willis-Knighton Medical Center, pending in the 10th Judicial District Court for Natchitoches Parish, Case No. 93767, Division B, Judge Sylvester (the “Litigation”). The Persons who sued are called the “Plaintiffs” or “Class Representatives” and the company they sued, Willis-Knighton Medical Center, is known as the “Defendant.” The Litigation alleges that Willis-Knighton caused the unauthorized transmissions of personally identifiable, non-public medical information and communications to Facebook and Google through Willis-Knighton’s Website, <https://www.wkhs.com/>, and Patient Portal, <https://www.wkhs.com/mywk>. Willis-Knighton denies this allegation and specifically denies that any medical information from either the Patient Portal or the Website was shared with Facebook or Google. Nonetheless, the Parties collectively agreed to resolve their dispute on a class-wide basis. The Court has granted preliminary approval of the Settlement Agreement and has conditionally certified the Settlement Class (defined below in Response #6) for purposes of settlement only. This Notice explains the nature of the class action lawsuit, the terms of the Settlement Agreement, and the legal rights and obligations of Settlement Class Members. Please read the instructions and explanations below carefully so that you can better understand your legal rights.

2. Why did I receive a Notice?

You may have received a Notice because you were identified as: (1) an IntelliChart patient portal account holder through Willis-Knighton; (2) a Meditech patient portal account holder through Willis-Knighton; or (3) as someone who made a request to schedule an appointment online with Willis-Knighton from January 1, 2018 through December 31, 2023.

3. What is this Litigation about?

The Litigation alleges that Willis-Knighton caused the unauthorized transmissions of personally identifiable, non-public medical information and communications to Facebook and Google through Willis-Knighton’s Website, <https://www.wkhs.com/>, and Patient Portal, <https://www.wkhs.com/mywk>. Willis-Knighton denies this allegation, and specifically denies that any medical information from either the Patient Portal or the Website was shared with Facebook or Google. Nonetheless, the Parties collectively agreed to resolve their dispute on a class-wide basis.

4. Why is this a class action?

A class action is a lawsuit in which an individual called a “Class Representative” brings a single lawsuit on behalf of other people who have similar claims. All of these people together are a “Settlement Class” or “Settlement Class Members.” When a class action is settled, the settlement, which must be approved by the Court, resolves the issues for all Settlement Class Members, except for those who exclude themselves from the settlement.

5. Why is there a settlement?

To resolve this matter without the expense, delay, and uncertainties of protracted litigation, the Parties reached a settlement that resolves all claims brought on behalf of the Settlement Class. If finally approved by the Court, the Settlement Agreement requires Willis-Knighton to provide compensation to Settlement Class Members who submit valid and timely Claim Forms. The Settlement also requires Willis-Knighton to remove and refrain from using certain tracking technologies on its websites for a period of not less than two years. The settlement is not an admission of wrongdoing by Willis-Knighton and does not imply that there has been, or would be, any finding that Willis-Knighton violated the law.

The Court overseeing this Litigation must give final approval to the Settlement Agreement before it can become effective. The Court has conditionally certified the Settlement Class for settlement purposes only, so that Settlement Class Members may be given notice and the opportunity to exclude themselves from the Settlement Class or to voice their support for or opposition to final approval of the Settlement Agreement. If the Court does not finally approve the Settlement Agreement, or if it is terminated by the Parties, then the Settlement Agreement will be void, and the Litigation will proceed as if there had been no settlement and no certification of the Settlement Class.

6. How do I know if I am a part of the settlement?

You are a Settlement Class Member if you are (1) an IntelliChart patient portal account holder through Willis-Knighton; (2) a Meditech patient portal account holder through Willis-Knighton; or (3) made a request to schedule an appointment online with Willis-Knighton from January 1, 2018 through December 31, 2023.

Through the Settlement Willis-Knighton has agreed that Settlement Class Members can each make a claim for a cash payment; and will be automatically entitled to one year of the CyEx Privacy Shield Pro product, which has a further description here: <https://cyex.com/privacy-shield/>. The amount of the payment will be set forth in the notice you receive regarding the settlement. In addition, Willis-Knighton has agreed that for a period of two years following final approval of the Settlement Willis-Knighton will remove and refrain from using certain tracking technologies on Willis-Knighton's websites. 10. What am I giving up if I remain in the settlement?

By staying in the Settlement Class, all the Court's orders will apply to you and will bind you. You also give Willis-Knighton a "release," which means you cannot sue or be part of any other lawsuit or other legal action against Willis-Knighton about or arising from the claims or issues in this Litigation with respect to the alleged sharing of your personal or health information.

The precise terms of the release are in the Settlement Agreement, which is available on the Documents section of the Settlement Website. Unless you formally exclude yourself from this settlement, you will release your claims. If you have any questions, you can talk for free to the attorneys identified below who have been appointed by the Court to represent the Settlement Class or you are welcome to talk to any other lawyer of your choosing at your own expense.

11. How much will the Class Representative receive?

Class Counsel shall request the Court to approve a Service Award for Class Representatives Jacqueline Horton, Crystal LaRue, and Chelsey Giddings of \$5,000 for their services to the Settlement Class as Class Representative. This payment is subject to the Court's approval.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you do not want to remain in the settlement, but you want to preserve your legal claims against Defendant, then you must take steps to exclude yourself from this Settlement.

12. How do I get out of the settlement?

To exclude yourself from the settlement, you must send an opt-out request by mail stating that you want to be excluded from Jacqueline Horton, et al. v. Willis-Knighton Medical Center, 10th Judicial District Court for Natchitoches Parish, Case No. 93767, to the Settlement Administrator. Such opt-out request shall include: (1) your full name and address; (2) the case name and docket number; (3) a written statement that you wish to be excluded from the settlement; and (4) your signature. **WKMC Data Settlement
c/o Settlement Administrator
PO Box 25226
Santa Ana, CA 92799**

13. If I exclude myself, do I still receive benefits from this Settlement?

No, if you submit an opt-out request, you will not receive anything resulting from the settlement, but you may sue Willis-Knighton over the claims raised in this case, either on your own or as a part of a different lawsuit. If you exclude yourself, the time you have to file your own lawsuit (called the "statute of limitations") will begin to run again. You will have the same amount of time to file the suit that you had when this case was filed. If you file an Objection (see Response #16), you may still receive benefits if you timely file a claim.

THE LAWYERS REPRESENTING THE CLASS

14. Do I have a lawyer in this case?

The Court has appointed Foster C. Johnson of Ahmad, Zavitsanos & Mensing, Jed Cain of Herman Katz Gisleson & Cain and Keenan K. Kelly of Kelly & Townsend, LLC to represent the Settlement Class as Class Counsel. These attorneys will be paid in an amount that must be approved by the Court. If you want to be represented by your own lawyer, you may hire one at your own expense.

15. How will the lawyers for the Settlement Class be paid?

Pursuant to the Settlement Class Counsel will request Attorneys' Fees and Expenses in an amount not to exceed Two Million One Hundred Thousand Dollars and Zero Cents (\$2,100,000.00) for reasonable costs and expenses incurred in prosecuting the Litigation, subject to Court approval. The motion for Attorneys' Fees and Expenses will be posted on the Settlement Website after it is filed.

OBJECTING TO THE SETTLEMENT

16. How do I tell the Court that I do not like the settlement?

You can tell the Court that you do not agree with the settlement or some part of it. If you are a Settlement Class Member, you can Object to the settlement and the Court will consider your views. To Object to the settlement, you must submit a written Objection (such as a letter or legal brief) stating that you Object and the reasons why you think the Court should not approve the settlement. Your Objection should include:

If you file an Objection, you may still receive benefits so long as you timely file a claim. To be timely, written notice of an Objection in the appropriate form must be filed with the Court no later than **November 18, 2025**, and served on Class Counsel and Defendant's Counsel, as noted below:
