**INTERNET NOTICE**

**CLASS ACTION**

Judge William B. Shubb  
Courtroom 5, 14<sup>th</sup> Floor

**INTERNET NOTICE OF PENDENCY AND PROPOSED SETTLEMENT OF CLASS ACTION**

If you purchased publicly traded securities of Origin Materials, Inc. (“Origin Materials” or the “Company”) on the open market of a U.S. stock exchange during the period from March 7, 2023 through August 9, 2023 (the “Class Period”), you may be entitled to a payment from a class action settlement.

*A federal court authorized this Notice. This is not a solicitation  
from a lawyer.*

- The purpose of this Notice is to inform you of the pendency of this securities class action (the “Action”), the proposed settlement of the Action (the “Settlement”), and a hearing to be held by the Court to consider: (i) whether the Settlement should be approved; and (ii) Lead Counsel’s application for attorneys’ fees and Litigation Expenses. This Notice describes important rights you may have and what steps you must take if you wish to participate in the Settlement, wish to object, or wish to be excluded from the Settlement Class.<sup>1</sup>
- If approved by the Court, the proposed Settlement will create a \$9,000,000 settlement fund, plus earned interest, for the benefit of eligible Settlement Class Members, less any attorneys’ fees and Litigation Expenses awarded by the Court, Notice and Administration Costs, and Taxes.

---

<sup>1</sup> All capitalized terms not otherwise defined in this notice shall have the meaning provided in the Stipulation of Settlement, dated October 27, 2025 (the “Stipulation”), found at the Important Documents section of the Case Website, <https://www.strategicclaims.net/OriginMaterials>.

- The Settlement resolves all claims by Todd Frega (“Lead Plaintiff”) that have been asserted on behalf of the proposed Settlement Class in the litigation captioned *In re Origin Materials, Inc. Securities Litigation, Master File No. 2:23-cv-01816-WBS-JDP*.

If you are a Settlement Class Member, your legal rights will be affected by this Settlement whether you act or do not act. Please read this Notice carefully.

YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT	
<b>SUBMIT A CLAIM FORM BY MAY 4, 2026</b>	The <u>only</u> way to get a payment. <i>See Question 8 below for details.</i>
<b>EXCLUDE YOURSELF FROM THE SETTLEMENT CLASS BY MAY 4, 2026</b>	Get no payment. This is the only option that, assuming your claim is timely brought, might allow you to ever bring or be part of any other lawsuit against Defendants and/or the other Defendants’ Releasees concerning the Released Plaintiffs’ Claims. <i>See Question 11 below for details.</i>
<b>OBJECT BY MAY 4, 2026</b>	Write to the Court about why you object to the Settlement or the Fee and Expense Application. If you object, you will still be a member of the Settlement Class. <i>See Question 14 below for details.</i>
<b>GO TO A HEARING ON JUNE 8, 2026 AND FILE A NOTICE OF INTENTION TO APPEAR BY MAY 4, 2026</b>	Ask to speak in Court at the Settlement Hearing about the Settlement. <i>See Question 18 below for details.</i>
<b>DO NOTHING</b>	Get no payment AND give up your rights to bring your own individual action.

- These rights and options—and the deadlines to exercise them—are explained in this Notice.
- The Court in charge of this case still has to decide whether to approve the Settlement. Payments will be made to all eligible Settlement Class Members who timely submit valid Claim Forms, if the Court approves the Settlement and after any appeals are resolved. Please be patient.

## SUMMARY OF THE NOTICE

### Statement of the Settlement Class’s Recovery

1. Subject to Court approval, Lead Plaintiff, on behalf of the Settlement Class, has agreed to settle the Action in exchange for a payment of \$9,000,000 (the “Settlement Amount”), which will be deposited into an interest-bearing Escrow Account (the “Settlement Fund”). The Net Settlement Fund (as defined below) will be distributed to Settlement Class Members according to the plan of allocation (the “Plan of Allocation” or “Plan”). The proposed Plan of Allocation is set forth on pages 12-16 below.

### Estimate of Average Amount of Recovery Per Share

2. Based on Lead Plaintiff’s consulting damages expert’s estimate of the number of Origin Materials’ securities eligible to participate in the Settlement, and assuming that all such investors eligible to participate do so, Lead Plaintiff estimates that the average recovery would be approximately \$0.30 per allegedly damaged share (before deduction of any Court-approved fees and expenses, such as attorneys’ fees and expenses, Taxes, and Notice and Administration Costs). If the Court approves the Fee and Expense Application (as discussed below), the average recovery would be approximately \$0.22 per

allegedly damaged share.<sup>2</sup> Please note, however, that these average recovery amounts are only estimates, and Settlement Class Members may recover more or less than these estimated amounts. An individual Settlement Class Member's actual recovery will depend on, for example: (i) the total number of claims submitted; (ii) the amount of the Net Settlement Fund; (iii) when the Settlement Class Member purchased shares of Origin Materials' securities on the open market; and (iv) whether and when the Settlement Class Member sold the securities. See the Plan of Allocation beginning on page 12 for information on the calculation of your Recognized Claim.

#### **Statement of Potential Outcome of Case if the Action Continued to be Litigated**

3. The Parties disagree about both liability and damages and do not agree on the damages that would be recoverable if Lead Plaintiff were to prevail on each claim asserted against Defendants. The issues on which the Parties disagree include, for example: (i) whether Defendants made any statements or omitted any facts that were materially false or misleading, or otherwise actionable under the federal securities laws; (ii) whether any such allegedly materially false or misleading statements or omissions were made with the required level of intent; (iii) the amounts by which the prices of Origin Materials common stock were allegedly artificially inflated; (iv) the extent to which factors such as general market, economic and industry conditions, influenced the trading prices of Origin Materials securities during the Class Period; and (v) whether or not Defendants' allegedly false and misleading statements proximately caused the alleged losses suffered by the Settlement Class.

4. Defendants have denied and continue to deny any wrongdoing, deny that they have committed any act or omission giving rise to any liability or violation of law, and deny that Lead Plaintiff and the Settlement Class have suffered any loss attributable to Defendants' alleged actions. While Lead Plaintiff believes he has meritorious claims, he recognizes that there are significant obstacles in the way to recovery.

#### **Statement of Attorneys' Fees and Expenses Sought**

5. Lead Counsel, on behalf of themselves and liaison counsel ("Plaintiff's Counsel"), will apply to the Court for an award of attorneys' fees from the Settlement Fund (the "Fee and Expense Application") in an amount not to exceed 25% of the Settlement Fund, which includes any accrued interest. Lead Counsel will also apply for payment of Litigation Expenses incurred by Plaintiff's Counsel in prosecuting the Action in an amount not to exceed \$250,000.00, plus accrued interest, which may include an application pursuant to the Private Securities Litigation Reform Act of 1995 ("PSLRA") for the reasonable costs and expenses (including lost wages) of Lead Plaintiff directly related to his representation of the Settlement Class. If the Court approves Lead Counsel's Fee and Expense Application, the average amount of fees and expenses, assuming claims are filed for all shares eligible to participate in the Settlement, will be approximately \$0.08 per allegedly damaged share of Origin Materials common stock. A copy of the Fee and Expense Application will be posted on <https://www.strategicclaims.net/OriginMaterials/> after it has been filed with the Court.

#### **Reasons for the Settlement**

6. For Lead Plaintiff, the principal reason for the Settlement is the guaranteed cash benefit to the Settlement Class. This benefit must be compared to the uncertainty of being able to prove the allegations in the Complaint (as defined below); the risk that the Court may grant some or all of the anticipated motions to be filed by Defendants; the risks of litigation, especially in complex securities actions like this; as well as the difficulties and delays inherent in such litigation (including any trial and appeals). For Defendants, who deny all allegations of wrongdoing or liability whatsoever and deny that Settlement Class Members were damaged, they have stated that they are entering into the Settlement solely to end the burden, expense, uncertainty, and risk of further litigation.

---

<sup>2</sup> An allegedly damaged share might have been traded, and potentially damaged, more than once during the Class Period, and the average recovery indicated above represents the estimated average recovery for each share that allegedly incurred damages.

## **Identification of Attorneys' Representatives**

7. Lead Plaintiff and the Settlement Class are represented by Lead Counsel, Bernstein Liebhard LLP, Michael S. Bigin, Esq., 10 East 40th Street, New York, NY 10016, (212) 779-1414, [Originmaterialsinfo@bernlieb.com](mailto:Originmaterialsinfo@bernlieb.com).

## **BASIC INFORMATION**

### **1. Why did I get a Notice?**

9. You or someone in your family, or an investment account for which you serve as a custodian, may have purchased publicly traded securities of Origin Materials on the open market of a U.S. stock exchange during the Class Period from March 7, 2023 through August 9, 2023 and may be a Settlement Class Member. This Internet Notice explains the Action, the Settlement, Settlement Class Members' legal rights, what benefits are available, who is eligible for them, and how to get them. Receipt of this Notice does not mean that you are a Member of the Settlement Class or that you will be entitled to receive a payment. **If you wish to be eligible for a payment, you are required to submit the Claim Form. See Question 8 below.**

10. The Court directed that this Notice be sent to Settlement Class Members to inform them of the terms of the proposed Settlement and about all of their options, before the Court decides whether to approve the Settlement at the upcoming hearing to consider the fairness, reasonableness, and adequacy of the Settlement and Lead Counsel's Fee and Expense Application (the "Settlement Hearing").

11. The Court in charge of the Action is the United States District Court for the Eastern District of California, and the case is known as *In re Origin Materials, Inc. Securities Litigation*, Master File No. 2:23-cv-01816-WBS-JDP. The Action is assigned to the Honorable William B. Shubb, United States District Judge.

### **2. What is this case about, and what has happened so far?**

12. Origin Materials, Inc. is located in West Sacramento, California and its common stock trades on the NASDAQ under the symbol ORGN. Origin is a sustainable materials company that developed a platform to convert the carbon found in plant-based carbon or non-food biomass, such as wood residues, into materials that can replace the petroleum-based substances typically used in various end products, such as food and beverage packaging, clothing, textiles, plastics, car parts, carpeting, tires, adhesives, and soil amendments. Lead Plaintiff alleges that the Defendants made false and misleading statements during the Class Period that inflated the price of Origin's securities. Specifically, Lead Plaintiff alleges that the Defendants knowingly misrepresented the Company's schedule to begin construction of and produce products from the Origin 2 plant. Defendants later revealed that the Origin

2 plant was delayed by over a year, which allegedly resulted in a significant devaluation of the stock price.

13. On August 25, 2023, Plaintiff Antonio F. Soto filed a class action complaint in the United States District Court for the Eastern District of California (the “Court”).

14. On October 19, 2023, the Court consolidated the Action with a subsequently-filed case captioned *Jones v. Origin Materials, Inc. et al.*, No. 2:23-cv-02202-WBS-JDP (E.D. Cal.), which was filed against the same defendants and similar claims under Sections 10(b) and 20(a) of the Exchange Act and Rule 10b-5 promulgated thereunder.

15. On October 24, 2023, Todd Frega moved for appointment as Lead Plaintiff for the proposed class. On December 14, 2023, after full briefing on the motions and hearing oral argument, the Court appointed Todd Frega as Lead Plaintiff and approved Lead Plaintiff’s selection of Bernstein Liebhard LLP as Lead Counsel for the proposed class.

16. On March 1, 2024, Lead Plaintiff filed the first amended complaint, alleging violations of Sections 10(b) and 20(a) of the Exchange Act and Rule 10b-5 promulgated thereunder against defendants Origin Materials, John Bissell, and Richard Riley.

17. On April 15, 2024, Origin Materials, John Bissell, and Richard Riley moved to dismiss the first amended complaint. Lead Plaintiff opposed the motion, which was fully briefed by July 1, 2024. The Court heard oral arguments on October 15, 2024.

18. On October 29, 2024, the Court dismissed the first amended complaint and granted leave to amend.

19. On November 18, 2024, Lead Plaintiff filed the second amended complaint, alleging violations of Sections 10(b) and 20(a) of the Exchange Act and Rule 10b-5 promulgated thereunder against defendants Origin Materials, John Bissell, and Richard Riley.

20. On December 19, 2024, Origin Materials, John Bissell, and Richard Riley moved to dismiss the second amended complaint. Lead Plaintiff opposed the motion, which was fully briefed by February 4, 2025.

21. On February 12, 2025, the Court denied in part and granted in part the motion to dismiss the second amended complaint. Mr. Riley was dismissed as a named defendant.

22. Thereafter, the Parties commenced discovery.

23. Origin Materials and Mr. Bissell answered the second amended complaint on March 25, 2025.

24. The Parties submitted a Rule 16 case management order on April 21, 2025. The Court issued a scheduling order governing discovery in the Action on May 1, 2025.

25. While participating in discovery, the Parties agreed to engage mediator Robert Meyer, Esq., of JAMS in an attempt to resolve the Action.

26. The Parties exchanged confidential mediation statements on September 22, 2025. The mediation session was held on September 29, 2025. After a half day of arm’s-length, in-person, negotiations, the Parties disengaged without reaching an agreement.

27. During the days that followed, there were settlement negotiations through Mr. Meyer. On October 10, 2025, the Parties agreed to a settlement in principle to settle the Action and release all claims against Defendants in return for a cash payment of nine million dollars (\$9,000,000) for the benefit of the Settlement Class.

28. On January 6, 2026, the Court preliminarily approved the Settlement, authorized this Notice to be disseminated to potential Settlement Class Members, and scheduled the Settlement Hearing to consider whether to grant final approval to the Settlement. The Court amended this Order on January 7, 2026 by correcting the Class Period.

### **3. Why is this a class action?**

29. In a class action, one or more persons or entities (in this case, Lead Plaintiff), sue on behalf of people and entities who or which have similar claims. Together, these people and entities are a “class,” and each is a “class member.” Bringing a case, such as this one, as a class action allows the adjudication of many similar claims of persons and entities which might be too small to bring economically as separate actions. One court resolves the issues for all class members at the same time, except for those who exclude themselves, or “opt-out,” from the class.

### **4. What are the reasons for the Settlement?**

30. The Court did not finally decide in favor of Lead Plaintiff or Defendants. Instead, both sides agreed to a settlement that will end the Action. Lead Plaintiff and Lead Counsel believe that the claims asserted in the Action have merit; however, Lead Plaintiff and Lead Counsel recognize the expense and length of continued proceedings necessary to pursue their claims through trial and appeals, as well as the difficulties in establishing liability and damages. In light of the Settlement and the guaranteed cash recovery to the Settlement Class, Lead Plaintiff and Lead Counsel believe that the proposed Settlement is fair, reasonable, and adequate, and in the best interests of the Settlement Class.

31. Defendants have denied and continue to deny any allegations of wrongdoing contained in the Complaint and further deny that they did anything wrong, that Lead Plaintiff or the Settlement Class suffered damages or that the price of Origin Materials securities were artificially inflated by reasons of alleged misrepresentations, nondisclosures, or otherwise. The Settlement should not be seen as an admission or concession on the part of Defendants. Origin Materials has taken into account the burden, expense, uncertainty, distraction, and risks inherent in any litigation and has concluded that it is desirable to settle upon the terms and conditions set forth in the Stipulation.

### **5. How do I know if I am part of the Settlement Class?**

32. The Court directed, for the purposes of the proposed Settlement, that everyone who fits the following description is a Settlement Class Member and subject to the Settlement unless they are an excluded person (see Question 6 below) or take steps to exclude themselves from the Settlement Class (see Question 11 below): *all persons and entities that purchased Origin Materials’ publicly traded securities on the open market of a U.S. stock exchange during the Class Period and were allegedly damaged thereby.*

33. Receipt of this Notice does not mean that you are a Settlement Class Member. The Parties do not have access to your transactions in Origin Materials securities. Please check your records or contact your broker to see if you are a member of the Settlement Class. If one of your mutual funds purchased Origin Materials securities during the Class Period, that alone does not make you a Settlement Class Member. You are a Settlement Class Member only if you individually purchased Origin Materials securities during the Class Period and suffered legal damages.

### **6. Are there exceptions to the definition of the Settlement Class and to being included?**

34. Yes. There are some individuals and entities who or which are excluded from the Settlement Class by definition. Excluded from the Settlement Class are: (i) Defendants; (ii) members of the Immediate Family of each Defendant; (iii) any person who was an officer or director of Origin Materials; (iv) any firm or entity in which any Defendant has or had a controlling interest; (v) Defendants’ liability insurance carriers; (vi) any affiliates, parents, or subsidiaries of Origin Materials; (vii) all Origin Materials plans that are covered by ERISA; and (viii) the legal representatives, agents, affiliates, heirs, beneficiaries, successors-in-interests, or assigns of any excluded person or entity in their respective capacity as such.

35. If you sold all of your Origin Materials securities prior to the alleged corrective disclosure, which occurred after the market closed on August 9, 2023, you are not a member of the Settlement Class because you were not damaged.

36. Also excluded from the Settlement Class will be any Person who or which timely and validly seeks exclusion from the Settlement Class in accordance with the procedures described in Question 11 below or whose request is otherwise allowed by the Court.

## THE SETTLEMENT BENEFITS

### 7. What does the Settlement provide?

37. In exchange for the Settlement and the release of the Released Claims against the Defendants, Origin Materials has agreed to create a \$9,000,000 million cash fund, which may accrue interest, to be distributed, after deduction of Court-awarded attorneys' fees and Litigation Expenses, Notice and Administration Costs, Taxes, and any other fees or expenses approved by the Court (the "Net Settlement Fund"), among all Settlement Class Members who submit valid Claim Forms and are found to be eligible to receive a distribution from the Net Settlement Fund ("Authorized Claimants").

### 8. How can I receive a payment?

38. To qualify for a payment, you must fill out a Claim Form online at <https://www.strategicclaims.net/OriginMaterials/> ("Case Website"). Read the instructions carefully, fill out the Claim Form, and sign it in the location indicated. The Case Website also will allow you to upload your brokerage monthly statements and trade confirmation to attach to your claim form. **The deadline to submit your Claim through the Case Website is 11:59 p.m. ET on May 4, 2026.**

39. If you are unable to fill out a Claim Form online, please print the form titled "Proof of Claim and Release Form" (the "Claim Form"), which is included with the Notice, fill it out and mail it to the Claims Administrator at the address below, **postmarked no later than May 4, 2026:**

Origin Materials, Inc. Securities Litigation  
c/o Strategic Claims Services  
P.O. Box 230  
600 N. Jackson St., Ste 205  
Media, PA 19063  
Tel.: (866) 274-4004  
Fax: (610) 565-7985  
info@strategicclaims.net

40. Please note that if you choose to print and mail a Claim Form, you will need to manually enter each transaction.

41. Typically most class members submit electronic claims. Submitting a claim by mail increases the time necessary to process the Claim.

42. The Claims Administrator will process your claim and determine whether you are an "Authorized Claimant."

### 9. When will I receive my payment?

43. The Court will hold a Settlement Hearing on **June 8, 2026** to decide, among other things, whether to finally approve the Settlement. Even if the Court approves the Settlement, there may be appeals which can take time to resolve, perhaps more than a year. It also takes a long time for all of the Claim Forms to be accurately reviewed and processed. Please be patient.

### 10. What am I giving up to receive a payment or stay in the Settlement Class?

44. If you are a member of the Settlement Class, unless you exclude yourself, you will remain in the class, and that means that, upon the "Effective Date" of the Settlement, you will release all "Released Plaintiffs' Claims" against the Defendants' Releasees.

(a) **"Released Plaintiff's Claims"** means, to the fullest extent that the law permits their release, all claims, suits, actions, appeals, causes of action, damages (including, without limitation, compensatory, punitive, exemplary, rescissory, direct, consequential, or special damages, and restitution

and disgorgement), demands, rights, debts, penalties, costs, expenses, fees, injunctive relief, attorneys' fees, expert or consulting fees, prejudgment interest, indemnities, duties, liabilities, losses, or obligations of every nature and description whatsoever, whether they are known or Unknown Claims (including a Cal. Civil Code § 1542 waiver), whether or not concealed or hidden, fixed or contingent, direct or indirect, anticipated or unanticipated, asserted or unasserted, accrued or unaccrued, liquidated or unliquidated, whether legal, contractual, rescissory, statutory, or equitable in nature, whether arising under federal, state, local, common, or foreign law, or any other law, rule, or regulation, whether class or individual in nature, that Lead Plaintiff or any member of the Settlement Class asserted or could have asserted in any forum that are based upon, arise from, or relate to: (i) the allegations, transactions, facts, matters, events, disclosures, public filings, acts, occurrences, representations, statements, omissions or failures to act that were or could have been alleged by Lead Plaintiff or any other member of the Settlement Class in the Action; and (ii) the purchase or sale or other acquisition or disposition of Origin Materials securities during the Class Period. This release shall not include any claims (i) asserted in any derivative action based on similar allegations, or (ii) of any person or entity who or which submits a request for exclusion from the Settlement Class that is accepted by the Court. This release does not release or impair any claims relating to the enforcement of the Settlement.

(b) **“Defendants’ Releasees”** means Origin Materials, John Bissell, and any of his or its current and former parents, affiliates, subsidiaries, controlling person, associates, related or affiliated entities, and each and all of their respective past or present officers, directors, employees, partners, controlling shareholders, members, principals, agents, representatives, attorneys, advisors (including financial or investment advisors), consultants, underwriters, investment bankers, commercial bankers, insurers, reinsurers, heirs, spouses, executors, trustees, general or limited partners or partnerships, limited liability companies, members, joint ventures, personal or legal representatives, estates, administrators, predecessors, successors or assigns, or any member of the Immediate Family, marital communities, or any trusts for which any of them are trustees, settlors or beneficiaries or anyone acting or purporting to act for or on behalf of them or their successors or collectively.

(c) **“Unknown Claims”** means any and all Released Plaintiff’s Claims of every nature and description against Defendants’ Releasees that which Lead Plaintiff or any other Settlement Class Member does not know or suspect to exist in his, her or its favor at the time of the release of such claims, and any and all Released Defendants’ Claims of every nature and description against Plaintiff’s Releasees that any Defendant does not know or suspect to exist in his or its favor at the time of the release of such claims which if known by Lead Plaintiff, Settlement Class Member, or Defendant might have affected his, her, or its decision(s) with respect to the Settlement of Releases, including his, her, or its decision(s) to object or not to object to the Settlement. With respect to any and all Released Claims, the Parties stipulate and agree that, upon the Effective Date of the Settlement, Lead Plaintiff and Defendants shall expressly waive, and each of the other Settlement Class Members shall be deemed to have waived, and by operation of the Judgment, shall have expressly waived, any and all provisions, rights and benefits conferred by any law of any state, locality, or territory of the United States, or principle of common law or foreign law, which is similar comparable or equivalent to California Civil Code § 1542, which provides: **“A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.”** Lead Plaintiff, any Settlement Class Member, or any Defendant may hereafter discover facts, legal theories, or authorities in addition to or different from those which any of them now knows or believes to be true with respect to the subject matter of the Released Plaintiff’s Claims or the Released Defendants’ Claims, but the Parties shall expressly, fully, finally, and forever waive, compromise, settle, discharge, extinguish, and release, and each Settlement Class Member shall be deemed to have waived, compromised, settled, discharged, extinguished, and released, and upon the Effective Date and by operation of the Judgment shall have waived, compromised, settled, discharged, extinguished, and released, fully, finally, and

forever, any and all Released Plaintiff's Claims and Released Defendants' Claims, as applicable, known or unknown, suspected or unsuspected, contingent or absolute, accrued or unaccrued, apparent or unapparent, which now exist, or heretofore existed, or may hereafter exist, without regard to the subsequent discovery or existence of such different or additional facts, legal theories, or authorities. The Parties acknowledge, and each of the other Settlement Class Members shall be deemed by operation of law to have acknowledged, that the foregoing waiver was separately bargained for and a key element of the Settlement.

45. The "Effective Date" will occur when an Order entered by the Court approving the Settlement becomes Final and is not subject to appeal. If you remain a member of the Settlement Class, all of the Court's orders, whether favorable or unfavorable, will apply to you and legally bind you. Upon the Effective Date, Defendants will also provide a release of any claims against Lead Plaintiff and the Settlement Class arising out of or related to the institution, prosecution, or settlement of the claims in the Action.

### **EXCLUDING YOURSELF FROM THE SETTLEMENT CLASS**

46. If you do not want to be eligible to receive a payment from the Settlement, but you want to keep any right you may have to sue or continue to sue the Released Defendants on your own for the Released Claims, then you must take steps to remove yourself from the Settlement Class. This is called excluding yourself or "opting out." **Please note: if you bring your own claims, Defendants will have the right to seek their dismissal. Also, Defendants may terminate the Settlement if Settlement Class Members who purchased in excess of a certain amount of shares of Origin Materials common stock seek exclusion from the Settlement Class.**

#### **11. How do I exclude myself from the Settlement Class?**

47. To exclude yourself from the Settlement Class, you must mail a signed letter stating that you "request to be excluded from the Settlement Class in *In re Origin Materials, Inc. Securities Litigation*, Master File No. 2:23-cv-01816-WBS-JDP." You cannot exclude yourself by telephone or e-mail. Each request for exclusion must also: (i) state the name, address, and telephone number of the person or entity requesting exclusion, and in the case of an entity, the name and telephone number of the appropriate contact person; (ii) state the number of shares of Origin Materials common stock that the person or entity (a) owned as of the close of trading on March 6, 2023 and (b) purchased and sold on the open market during the Class Period, as well as the dates and prices of each such purchase and sale; and (iii) be signed by the person or entity requesting exclusion or an authorized representative. A request for exclusion must be mailed, so that it is **received no later than May 4, 2026**, to:

*Origin Materials, Inc. Securities Litigation*  
c/o Strategic Claims Services  
600 N. Jackson St., Ste 205  
P. O. Box 230  
Media, PA 19063

**Your exclusion request must comply with these requirements in order to be valid, unless it is otherwise accepted by the Court.**

48. If you ask to be excluded, do not submit a Claim Form because you cannot receive any payment from the Net Settlement Fund. Also, you cannot object to the Settlement because you will not be a Settlement Class Member. However, if you submit a valid exclusion request, you will not be legally bound by anything that happens in the Action, and you may be able to sue (or continue to sue) Defendants in the future, assuming your claims are timely. If you have a pending lawsuit against any of the Defendants, **please speak to your lawyer in the case immediately.**

## THE LAWYERS REPRESENTING YOU

### 12. Do I have a lawyer in this case?

49. The Court appointed the law firm of Bernstein Liebhard LLP to represent all Settlement Class Members. These lawyers are called “Lead Counsel.” You will not be separately charged for these lawyers. The Court will determine the amount of Plaintiffs’ Counsel’s fees and Litigation Expenses, which will be paid from the Settlement Fund. If you want to be represented by your own lawyer, you may hire one at your own expense.

### 13. How will the lawyers be paid?

50. Plaintiff’s Counsel have not received any payment for their services in pursuing the claims against Defendants on behalf of the Settlement Class, nor have they been paid for their Litigation Expenses. Lead Counsel will ask the Court to award Plaintiff’s Counsel attorneys’ fees of no more than 25% of the Settlement Fund, which will include any accrued interest. Plaintiff’s Counsel are Bernstein Liebhard LLP and Bragar, Eagel & Squire P.C. No other attorneys will share in the fee awarded by the Court. Lead Counsel will also seek payment of Litigation Expenses incurred by Plaintiff’s Counsel in the prosecution of the Action of no more than \$250,000.00, plus accrued interest, which may include an application in accordance with the PSLRA for the reasonable costs and expenses of Lead Plaintiff directly related to representation of the Settlement Class.

## OBJECTING TO THE SETTLEMENT, THE PLAN OF ALLOCATION, OR THE FEE AND EXPENSE APPLICATION

### 14. How do I tell the Court that I do not like something about the proposed Settlement?

51. If you are a Settlement Class Member, you can object to the Settlement or any of its terms, the proposed Plan of Allocation, and/or the Fee and Expense Application. You can ask the Court not to approve the Settlement, but you cannot ask the Court to order a different settlement; the Court can only approve or deny this Settlement. If the Court denies approval of the Settlement, no payments will be made to Settlement Class Members, the Parties will return to the position they were in before the Settlement was agreed to, and the Action will continue.

52. To object, you must send a signed letter stating that you object to the proposed Settlement, the proposed Plan of Allocation, and/or the Fee and Expense Application in “*In re Origin Materials, Inc. Securities Litigation*, Master File No. 2:23-cv-01816-WBS-JDP.” Your objection must state why you are objecting and whether your objection applies only to you, a subset of the Settlement Class, or the entire Settlement Class. The objection must also: (i) include your name, address, and telephone number; (ii) contain a statement of the objection and the specific reasons for it, including any legal and evidentiary support (including witnesses) you wish to bring to the Court’s attention; and (iii) documentation identifying the number of Origin Materials securities you purchased and sold on the open market during the Class Period, as well as the dates and prices of each such purchase and sale. Unless otherwise ordered by the Court, any Settlement Class Member who does not object in the manner described in this Notice will be deemed to have waived any objection and will be forever foreclosed from making any objection to the proposed Settlement, the Plan of Allocation, and/or Lead Counsel’s Fee and Expense Application. Your objection must be filed with the Court at the address below, either by mail or in person, **no later than May 4, 2026 and** be mailed or delivered to each of the following counsel so that it is **received no later than May 4, 2026**:

#### **15. What is the difference between objecting and seeking exclusion?**

53. Objecting is telling the Court that you do not like something about the proposed Settlement, Plan of Allocation, or Lead Counsel's Fee and Expense Application. You can still recover money from the Settlement. You can object *only* if you stay in the Settlement Class. Excluding yourself is telling the Court that you do not want to be part of the Settlement Class. If you exclude yourself from the Settlement Class, you have no basis to object because the Settlement and the Action no longer affect you.

### **THE SETTLEMENT HEARING**

#### **16. When and where will the Court decide whether to approve the proposed Settlement?**

54. The Court will hold the Settlement Hearing either in person or remotely at the Court's discretion on **June 8, 2026 at 1:30 p.m.**, in Courtroom 5, 14<sup>th</sup> Floor, Robert T. Matsui United States Courthouse, United States District Court for the Eastern District of California, 501 I Street, Sacramento, CA 95814. At this hearing, the Court will consider whether: (i) the Settlement is fair, reasonable and adequate, and should be finally approved; and (ii) Lead Counsel's Fee and Expense Application is reasonable and should be approved. The Court will take into consideration any written objections filed in accordance with the instructions in Question 14 above. We do not know how long it will take the Court to make these decisions.

55. You should be aware that the Court may change the date and time of the Settlement Hearing, or hold the hearing telephonically or by video conference, without another notice being sent to Settlement Class Members. If you want to attend the hearing, you should check with Lead Counsel beforehand to be sure that the date and/or time has not changed, check the case website at <https://www.strategicclaims.net/OriginMaterials/>, or periodically check the Court's website at <https://www.caed.uscourts.gov> to see if the Settlement Hearing stays as calendared or is changed.

#### **17. Do I have to come to the Settlement Hearing?**

56. No. Lead Counsel will answer any questions the Court may have. However, you are welcome to attend at your own expense. If you submit a valid and timely objection, the Court will consider it and you do not have to come to Court to discuss it. You may have your own lawyer attend (at your own expense), but it is not required. If you do hire your own lawyer, he or she must file and serve a Notice of Appearance in the manner described in the answer to Question 18 below **no later than May 4, 2026**.

#### **18. May I speak at the Settlement Hearing?**

57. You may ask the Court for permission to speak at the Settlement Hearing. To do so, you must include with your objection (see Question 14), **no later than May 4, 2026** a statement that you, or your attorney, intend to appear in "*In re Origin Materials, Inc. Securities Litigation*, Master File No. 2:23-cv-01816-WBS-JDP." Persons who intend to present evidence at the Settlement Hearing must also include in their objections the identities of any witnesses they may wish to call to testify and any exhibits they intend to introduce into evidence at the hearing. You may not speak at the Settlement Hearing if you exclude yourself or if you have not provided written notice in accordance with the procedures described in this Question 18 and Question 14 above.

## IF YOU DO NOTHING

### 19. What happens if I do nothing at all?

58. If you do nothing and you are a member of the Settlement Class, you will receive no money from this Settlement and you will be precluded from starting a lawsuit, continuing with a lawsuit, or being part of any other lawsuit against Defendants and the other Defendants' Releasees concerning the Released Plaintiffs' Claims. To share in the Net Settlement Fund, you must submit a Claim Form (see Question 8 above). To start, continue, or be part of any other lawsuit against Defendants or any other of the Defendants' Releasees concerning the Plaintiffs' Released Claims in this case, to the extent it is otherwise permissible to do so, you must exclude yourself from the Settlement Class (see Question 11 above).

## GETTING MORE INFORMATION

### 20. Are there more details about the Settlement?

59. This Notice summarizes the proposed Settlement. More details are in the Stipulation. Lead Counsel's motions in support of final approval of the Settlement, the request for attorneys' fees and Litigation Expenses will be filed with the Court no later than April 20, 2026, and be available from Lead Counsel, the Claims Administrator, or the Court, pursuant to the instructions below.

60. You may review the Stipulation or documents filed in the case at the Office of the Clerk, United States District Court for the Eastern District of California, 501 I Street, Sacramento, CA 95814, on weekdays (other than court holidays) between 9:00 a.m. and 4:00 p.m. Subscribers to PACER can also view the papers filed publicly in the Action through the Court's on-line Case Management/Electronic Case Files System at <https://www.pacer.gov>.

## Please do not call the Court with questions about the Settlement

## PLAN OF ALLOCATION OF NET SETTLEMENT FUND

### 21. How will my claim be calculated?

62. As discussed above, the Settlement Amount and any interest it earns constitute the Settlement Fund. The Settlement Fund, after the deduction of Court-approved attorneys' fees and Litigation Expenses, Notice and Administration Costs, Taxes, and any other fees or expenses approved by the Court, is the Net Settlement Fund. If the Settlement is approved by the Court, the Net Settlement Fund will be distributed to eligible Authorized Claimants – *i.e.*, members of the Settlement Class who timely submit valid Claim Forms that are accepted for payment – in accordance with this proposed Plan of Allocation or such other plan of allocation as the Court may approve. Settlement Class Members who do not timely submit valid Claim Forms will not share in the Net Settlement Fund but will otherwise be bound by the Settlement. The Court may approve this proposed Plan of Allocation, or modify it, without additional notice to the Settlement Class. Any order modifying the Plan of Allocation will be posted on the Case Website, <https://www.strategicclaims.net/OriginMaterials/>.

63. To design the Plan, Lead Counsel have conferred with Lead Plaintiff's consulting damages expert. The objective of the Plan of Allocation is to distribute the Net Settlement Fund equitably among those Settlement Class Members who suffered economic losses as an alleged proximate result of the alleged wrongdoing. The Plan of Allocation is not intended to estimate, or be indicative of, the amounts that Settlement Class Members might have been able to recover after a trial. Because the Net Settlement Fund is less than the total losses alleged to be suffered by Settlement Class Members, the formulas described below for calculating Recognized Losses are not intended to estimate the amounts that will actually be paid to Authorized Claimants. The Plan of Allocation measures the amount of loss that a

Settlement Class Member can claim for purposes of making *pro rata* allocations of the Net Settlement Fund to Authorized Claimants.

64. For losses to be compensable damages under the federal securities laws, the disclosure of the allegedly misrepresented information must be the cause of the change in the price of the securities at issue. In this case, Lead Plaintiff alleged that Defendants issued false statements and omitted material facts during the Class Period (March 7, 2023 through August 9, 2023) that artificially inflated the price of Origin Materials securities. It is alleged that corrective information released to the market on August 9, 2023 impacted the market prices of Origin Materials securities in a statistically significant manner and removed the alleged artificial inflation (or deflation) from the share prices. Accordingly, in order to have a compensable loss in this Settlement, the Origin Materials securities must have been purchased during the Class Period and held through at least the alleged corrective disclosure on August 9, 2023.

65. An individual Settlement Class Member's recovery will depend on, for example: (a) the total number and value of claims submitted; (b) when the claimant purchased Origin Materials securities; and (c) whether and when the claimant sold his, her, or its Origin Materials securities.

### **CALCULATION OF RECOGNIZED LOSS AMOUNTS** **PLAN OF ALLOCATION**

  - B. For shares sold between August 10, 2023 and November 7, 2023, the Recognized Loss shall be the lesser of:

<sup>3</sup> Plaintiffs allege the truth was revealed in this matter via an August 9, 2023 press release that was issued after regular trading hours. As a result, only purchases of common stock and Public Warrants made before the August 9, 2023 press release timestamp of 4:01 PM EDT are included in the Class. For purposes of this Plan of Allocation, sales of common stock and Public Warrants made after regular hours on August 9, 2023 will be considered to have been made on August 10, 2023.

**ADDITIONAL PROVISIONS OF THE PLAN OF ALLOCATION**

66. Origin Materials common stock and public warrants purchased on the open market of a U.S. stock exchange are the only securities eligible for recovery under the Plan of Allocation.

67. A Claimant's "Recognized Claim" will be the sum of that Claimant's Recognized Losses, which will be calculated according to the relevant formulas in the foregoing section. If the total Recognized Claims of all Authorized Claimants who are entitled to receive payment out of the Net Settlement Fund is greater than the amount of the Net Settlement Fund, then each Authorized Claimant shall receive his, her, or its pro rata share of the Net Settlement Fund. The pro rata share shall be the Authorized Claimant's Recognized Claim divided by the total of Recognized Claims of all Authorized Claimants, multiplied by the total amount in the Net Settlement Fund.

68. Purchases and sales of Origin Materials publicly traded common stock and public warrants shall be deemed to have occurred on the "contract" or "trade" date as opposed to the "settlement" or "payment" date. The receipt or grant by gift, inheritance or operation of law of Origin Materials common stock and public warrants during the Class Period shall not be deemed a purchase or sale of such securities for the calculation of a claimant's Recognized Claim, nor shall the receipt or grant be deemed an assignment of any claim relating to the purchase/sale of such securities unless (i) the donor or decedent purchased/sold such securities during the Class Period; (ii) no Claim Form was submitted by or on behalf of the donor, on behalf of the decedent, or by anyone else with respect to such securities; and (iii) it is specifically so provided in the instrument of gift or assignment.

69. In accordance with the Plan of Allocation, the Recognized Loss Amount on any portion of a purchase of Origin Materials publicly traded common stock or public warrants that matches against (or "covers") a "short sale" is zero. The Recognized Loss Amount on a "short sale" that is not covered by a purchase is also zero. In the event that a claimant has an opening short position in Origin Materials publicly traded common stock or public warrants at the start of the Class Period, the earliest Class Period purchases shall be matched against such opening short position in accordance with the FIFO matching described above and any portion of such purchases that covers such short sales will not be entitled to

recovery. In the event that a claimant newly establishes a short position during the Class Period, the earliest subsequent Class Period purchase shall be matched against such short position on a FIFO basis and will not be entitled to a recovery.

70. With respect to Origin Materials publicly traded common stock purchased or sold through the exercise of an option, the purchase/sale date of the common stock is the exercise date of the option, and the purchase/sale price of the common stock is the closing price of Origin Materials common stock on the exercise date. Any Recognized Loss Amounts arising from purchases of Origin Materials common stock acquired during the Class Period through the exercise of an option on Origin Materials common stock shall be computed as provided for other purchases of Origin Materials common stock in the Plan of Allocation.

71. The Net Settlement Fund will be allocated among all Authorized Claimants whose prorated payment is \$10.00 or greater. If the prorated payment to any Authorized Claimant calculates to less than \$10.00, it will not be included in the calculation and a distribution will not be made to that Authorized Claimant.

72. Payment according to this Plan of Allocation will be deemed conclusive against all Authorized Claimants. Recognized Claims will be calculated as defined herein by the Claims Administrator and cannot be less than zero.

73. Distributions will be made to Authorized Claimants after all claims have been processed and after the Court has finally approved the Settlement. If any funds remain in the Net Settlement Fund by reason of uncashed checks or otherwise, then, after the Claims Administrator has made reasonable and diligent efforts to have Authorized Claimants who are entitled to participate in the distribution of the Net Settlement Fund cash their distribution checks, any balance remaining in the Net Settlement Fund six (6) months after the initial distribution of such funds shall be re-distributed, after payment of any unpaid costs or fees incurred in administering the Net Settlement Fund for such redistribution, to Authorized Claimants who have cashed their checks and who would receive at least \$10.00 from such re-distribution. If any funds shall remain in the Net Settlement Fund six months after such re-distribution, then such balance shall be contributed to support investor protection at the Consumer Federation of America or any non-sectarian, not-for-profit, 501(c)(3) organization(s) as ordered by the Court.

74. Payment pursuant to the Plan of Allocation, or such other plan as may be approved by the Court, shall be conclusive against all Authorized Claimants. No person shall have any claim against Lead Plaintiff, Lead Counsel, their damages expert, Claims Administrator, or other agent designated by Lead Counsel, arising from determinations or distributions to claimants made substantially in accordance with the Stipulation or further orders of the Court. Defendants and all other Defendants' Releasees shall have no responsibility for or liability whatsoever for the investment or distribution of the Settlement Fund or the Net Settlement Fund, the Plan of Allocation or the determination, administration, calculation, or payment of any Claim Form or non-performance of the Claims Administrator, the payment or withholding of Taxes owed by the Settlement Fund or any losses incurred in connection therewith.

#### **SPECIAL NOTICE TO SECURITIES BROKERS AND NOMINEES**

75. If you purchased Origin Materials publicly traded securities on the open market of a U.S. stock exchange during the Class Period for the beneficial interest of a person or entity other than yourself, the Court has directed that **WITHIN SEVEN (7) DAYS OF YOUR RECEIPT OF THE POSTCARD NOTICE, YOU MUST EITHER:** (a) provide to the Claims Administrator the name, last known address, and email address, to the extent that email addresses are available, of each such person or entity; (b) request additional copies of this Postcard Notice from the Claims Administrator, which will be provided to you free of charge, and **WITHIN SEVEN (7) DAYS** of receipt, mail the Postcard Notice directly to all such persons or entities; or (c) request an electronic copy of the Postcard Notice or the link to the Internet Notice and Claim Form on the Case Website from the Claims Administrator, and **WITHIN SEVEN (7) DAYS** of receipt thereof, email the Postcard Notice or the link the Internet Notice

and Claim Form directly to all purchasers for which email addresses are available. If you choose to follow procedures (b) or (c), the Court has also directed that, upon making that mailing, **YOU MUST SEND A STATEMENT** to the Claims Administrator confirming that the mailing was made as directed and keep a record of the names, mailing addresses, and email addresses used. Upon full and timely compliance with these directions, you may seek reimbursement from the Settlement Fund of your reasonable expenses actually incurred in connection with the foregoing, upon request and submission of appropriate documentation, up to a maximum of \$0.02 plus postage at the current pre-sort rate used by the Claims Administrator per Postcard Notice mailed; \$0.02 per Postcard Notice or link to the Internet Notice and Claim Form emailed; or \$0.02 per name, address, and email address provided to the Claims Administrator.
