Further Information about this Notice and the Lawsuit

1. Why did I receive a Notice in the mail?

The postcard Notice you received in the mail was sent to inform you of the proposed settlement because Defendant's records indicate you may be eligible to participate in a proposed class action lawsuit settlement. The Litigation includes the class action *Conaway, et al. v. CSC ServiceWorks, Inc.*, No. 1:24-cv-05719, pending in the United States District Court, Eastern District of New York.

Judge Joan M. Azrack of the United States District Court for the Eastern District of New York is overseeing the proposed settlement and authorized this Notice to advise Settlement Class Members about the proposed settlement that will affect their legal rights. The Notice explains certain legal rights and options you have in connection with the proposed settlement.

2. Why is the lawsuit a class action?

In a class action, one or more representative plaintiffs bring a lawsuit on behalf of all others who are alleged to have similar claims. Together, these people are the "Class," and each person individually is a "Class Member." In this case, the Plaintiffs or "Class Representatives" who sued CSC are Frederick Conaway and Tima Qamar. CSC, the company being sued, is known as the Defendant. All of the individuals who are eligible to participate in this proposed class action settlement are known as the "Settlement Class" and each of the individuals is called a "Class Member" or "Settlement Class Member."

3. Why is there a settlement?

The Plaintiffs, through their attorneys (known as "Class Counsel"), investigated the facts and law relating to the issues in the pending Litigation. The Plaintiffs and Class Counsel believe that the settlement is fair, reasonable, and adequate and will provide substantial benefits to Class Members.

The Court has not decided whether the Plaintiffs' claims or CSC's defenses have any merit, and it will not do so if the proposed settlement is approved. By agreeing to settle, both sides avoid the cost and risk of a trial, and people who submit valid and timely claims will receive benefits from the settlement. The settlement does not mean that CSC did anything wrong, or that the Plaintiffs and the Settlement Class would or would not win the case if it were to go to trial.

Terms of the Proposed Settlement

4. Who is in the Settlement Class?

The Settlement Class includes all persons residing in the United States whose personally identifiable information (PII) was compromised in the Data Security Incident announced by CSC in or around August 2024.

The Settlement Class specifically excludes: (1) any entity in which CSC has a controlling interest and (2) the affiliates, legal representatives, attorneys, successors, heirs, and assigns of CSC. Excluded also from the Class are members of the judiciary to whom the Litigation is assigned, their families and members of their staff.

5. What are the settlement benefits?

Class Members may submit valid and timely Claim Forms for the following benefit options:

- A. Compensation for out-of-pocket expenses and lost time** up to a total of \$5,000.00 per Settlement Class Member for any of the following actual, documented, unreimbursed losses:
- i. Up to four hours of lost time, at \$25.00/hour of time spent mitigating the effects of the Incident. Class Members may submit claims for up to four hours of lost time by submitting an attestation, made under penalty of perjury, that they spent the claimed time responding to issues raised by the Incident. No documentation beyond the sworn attestation of the Class Member is required to claim lost time. Claims for lost time are subject to the \$5,000.00 out-of-pocket expenses cap.
 - ii. Out-of-pocket expenses incurred as a result of the Incident, including, but not limited to, bank fees, long-distance telephone charges, cellular telephone charges (only if charged by the minute), data charges (only if charged based on the amount of data used), postage, gasoline for local travel, or fees for credit reports, credit monitoring, or other identity theft insurance products purchased between September 23, 2023, and July 2, 2026.

In order to claim out-of-pocket expenses, the Settlement Class Member must have made reasonable efforts to avoid, or seek reimbursement for, the loss, including but not limited to exhaustion of all available credit monitoring insurance and identity theft insurance. Adequate documentation establishing the full extent of the claims made must also be provided and can include receipts and other documentation. “Self-prepared” documents by themselves are insufficient to receive reimbursement, but can be considered to add clarity to or support other supporting documentation.

- B. Credit Monitoring** through IDX Identity Protection Services for 2 years with a one-bureau credit monitoring service with \$1,000,000.00 in identity theft/fraud insurance. This benefit is in addition to any credit monitoring services CSC initially offered related to the Data Security Incident.

The Settlement Administrator shall have the sole discretion to determine which claims are valid and which claims are invalid and may request additional information from Settlement Class Members to seek clarification regarding submitted claims. The Settlement Administrator will employ reasonable procedures to screen Claim Forms for abuse and/or fraud and shall deny Claim Forms that are materially incomplete, where there is evidence of abuse and/or fraud, or where the Claim Form does not meet the requirements set forth in the Settlement Agreement.

6. What am I giving up under the settlement?

Settlement Class Members who do not request exclusion from the settlement will be bound by the Settlement Agreement and any final judgment entered by the Court and will give up their right to sue the Released Parties for the Released Claims being resolved by the settlement.

The claims that are being released and the persons and entities being released from those claims are described in the Settlement Agreement. To view the Settlement Agreement, please visit www.CSCServiceWorksDataSettlement.com.

Court Approval of the Settlement

15. How, when, and where will the Court decide whether to approve the settlement?

The Court will hold a Final Approval Hearing on July 28, 2026, at 2 p.m. ET at the District Court of the Eastern District of New York, Courtroom 8D of the Brooklyn Courthouse, 225 Cadman Plaza East, Brooklyn, New York 11201, to decide whether to approve the Settlement. At the Final Approval Hearing, the Court will consider whether the settlement is fair, reasonable, and adequate. If there are properly filed objections, the Court will consider them and will listen to people who properly requested to speak at the hearing. The Court will also consider Class Counsel’s request for attorneys’ fees and the Service Awards sought by the Class Representatives.

It is possible the Court could reschedule the hearing to a different date or time without notice. Please check the Settlement Website for any updates at www.CSCServiceWorksDataSettlement.com if you plan to attend.

16. Do I have to attend the hearing?

No. You do not need to attend the hearing. Class Counsel will represent the interests of the Settlement Class. If you object to the Settlement and wish to appear in person you are welcome to do so if your written objection was properly submitted pursuant to the instructions in Question 14. It is not necessary to appear in person to make an objection. You or your own lawyer are welcome to attend the hearing at your expense but are not required to do so.

17. What happens if the Court approves the settlement?

If the Court approves the settlement, there may still be appeals. If an appeal is taken, it is possible the settlement could be disapproved on appeal or take time to resolve. We do not know how long this process may take.

18. What happens if the Court does not approve the settlement?

If the Court does not approve the settlement, there will be no settlement benefits available to pay Settlement Class Members, Class Counsel, or the Class Representative, and the Litigation will proceed as if no settlement had been attempted.
