Notice of Data Security Incident

Dear <<First Name>> <<Last Name>>,

Eversource Energy (“Eversource”) is writing to inform you of a recent data security incident involving your personal information. Eversource collects and maintains your personal information in the course of providing utility services to you as a former or current customer or customer household member. Please read this letter carefully as it contains information regarding the incident and additional steps you can consider taking to help protect your personal information. Eversource is also offering you twenty-four (24) months of identity protection services provided through IDX, at no cost to you. Activation instructions and additional information regarding the services for you to enroll in these services are in this letter.

What Happened? In April of 2026, Eversource was a victim of a cybercriminal phishing campaign that resulted in unauthorized use of the credentials of two employees to access a limited number of files, some of which contained customer information. Eversource immediately blocked activities by this hacker group and implemented additional security measures in response to this incident to further strengthen our cybersecurity systems. Eversource promptly undertook an investigation with the assistance of external experts to review the data contained in the files accessed. The investigation revealed that some current and former customer data was contained in these files, including your data, that were accessed as a part of this incident.

What Information Was Involved? The type of personal information differs from individual to individual, but the information involved may have included your name, mailing and utility service address and account information, phone number, email, social security number, driver’s license number, federal identification number, and financial account numbers and account information.

What We Are Doing. As soon as we became aware of these cybercriminal activities, we took the steps described above and implemented additional security measures to help reduce the risk of a similar incident occurring in the future. We reported this incident to federal law enforcement and will cooperate with any investigative requests.

In addition, we are offering you the opportunity to enroll in complimentary identity protection services through IDX – a data breach and recovery services expert. These services include 24 months of credit monitoring and CyberScan monitoring, a \$1,000,000 insurance reimbursement policy, and fully managed identity theft recovery services. With this protection, IDX will help you resolve issues if your identity is compromised.

What You Can Do. We encourage you to enroll in the complimentary credit monitoring and identity monitoring services, which are free to you upon enrollment, and contact IDX with any questions.

You can contact IDX to enroll in these free identity protection services by calling 1-833-788-9712, going to <https://app.idx.us/account-creation/protect>, or scanning the QR image and using the Enrollment Code provided above. If you need assistance enrolling in the complimentary services being offered to you, please call IDX at 1-833-788-9712 from 9:00 A.M. to 9:00 P.M. Eastern Time, Monday through Friday (excluding holidays). IDX representatives can also answer questions you may have regarding the incident and the protection of your personal information. Also, you will need to reference the enrollment code at the top of this letter when calling or enrolling online, so please do not discard this letter.

Please note the deadline to enroll is August 27, 2026.

Once you enroll in these identity protection services, IDX will help you resolve issues if you determine your identity is compromised.

For More Information: Further information about how to help protect your information appears on the following page.

Please call 1-833-788-9712 or go to <https://app.idx.us/account-creation/protect> for assistance or for any additional questions you may have.

Thank you.

Sincerely,

Christopher Leigh
Chief Information Officer
Eversource Energy

Additional Steps You Can Take

1. Website and Enrollment. Scan the QR image or go to <https://app.idx.us/account-creation/protect> and follow the instructions for enrollment using your Enrollment Code provided at the top of the letter. Please note the deadline to enroll is August 26, 2026. To receive the credit monitoring services, you must be over the age of 18, have established credit in the United States, have a Social Security number in your name, and have a U.S. residential address associated with your credit file. If you do not have a credit file or are under the age of 18, you will not be able to register for the credit monitoring services, but you will receive CyberScan dark web monitoring, identity theft insurance, and the fully managed identity restoration services from IDX.

2. Activate the credit monitoring provided as part of your IDX identity protection membership. The monitoring included in the membership must be activated to be effective. Note: You must have established credit and access to a computer and the internet to use this service. If you need assistance, IDX will be able to assist you.

3. Telephone. Contact IDX at 1-833-788-9712 to gain additional information about this event and speak with knowledgeable representatives about the appropriate steps to take to protect your credit identity.

4. Review your credit reports. It is always advisable to remain vigilant by reviewing account statements and monitoring credit reports. Under federal law, you also are entitled every 12 months to one free copy of your credit report from each of the three major credit reporting companies. To obtain a free annual credit report, go to www.annualcreditreport.com or call 1-877-322-8228. You may wish to stagger your requests so that you receive a free report by one of the three credit bureaus every four months.

If you discover any suspicious items and have enrolled in IDX identity protection, notify IDX immediately by calling or by logging into the IDX website and filing a request for help. If you file a request for help or report suspicious activity, you will be contacted by a member of IDX's ID Care team who will help you determine the cause of the suspicious items. In the unlikely event that you fall victim to identity theft as a consequence of this incident, IDX will assign you an ID Care Specialist who will work on your behalf to resolve these issues.

You should also know that you have the right to file a police report if you ever experience identity fraud. Please note that in order to file a crime report or incident report with law enforcement for identity theft, you will likely need to provide some kind of proof that you have been a victim. A police report is often required to dispute fraudulent items. You can report suspected incidents of identity theft to local law enforcement or to the Attorney General.

5. Place Fraud Alerts with the three credit bureaus. If you choose to place a fraud alert, we recommend you do this after activating your credit monitoring. You can place a fraud alert at one of the three major credit bureaus by phone and also via Experian's or Equifax's website. A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. The contact information for all three bureaus is as follows:

Credit Bureaus

Equifax Fraud Reporting
1-866-349-5191
P.O. Box 105069
Atlanta, GA 30348-5069
www.equifax.com

Experian Fraud Reporting
1-888-397-3742
P.O. Box 9554
Allen, TX 75013
www.experian.com

TransUnion Fraud Reporting
1-800-680-7289
P.O. Box 2000
Chester, PA 19022-2000
www.transunion.com

It is necessary to contact only ONE of these bureaus and use only ONE of these methods. As soon as one of the three bureaus confirms your fraud alert, the others are notified to place alerts on their records as well. You will receive confirmation letters in the mail and will then be able to order all three credit reports, free of charge, for your review. An initial fraud alert will last for one year.

Please Note: No one is allowed to place a fraud alert on your credit report except you.

6. Security Freeze. By placing a security freeze, someone who fraudulently acquires your personal identifying information will not be able to use that information to open new accounts or borrow money in your name. You will need to contact the three national credit reporting bureaus listed above to place the freeze. Keep in mind that when you place the freeze, you will not be able to borrow money, obtain instant credit, or get a new credit card until you temporarily lift or permanently remove the freeze. There is no cost to freeze or unfreeze your credit files.

7. You can obtain additional information about the steps you can take to avoid identity theft from the following agencies. The Federal Trade Commission also encourages those who discover that their information has been misused to file a complaint with them.

California Residents: Visit the California Office of Privacy Protection (www.oag.ca.gov/privacy) for additional information on protection against identity theft. Office of the Attorney General of California, 1300 I Street, Sacramento, CA 95814, Telephone: 1-800-952-5225.

Massachusetts Residents: Under Massachusetts law, you have the right to obtain any police report filed in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it. Massachusetts law also allows consumers to place a security freeze on their credit reports. See **Section 6** for information on how to place a security freeze on your credit report.

New Mexico Residents: You have rights pursuant to the Fair Credit Reporting Act, such as the right to be told if information in your credit file has been used against you, the right to know what is in your credit file, the right to ask for your credit score, and the right to dispute incomplete or inaccurate information. Further, pursuant to the Fair Credit Reporting Act, the consumer reporting agencies must correct or delete inaccurate, incomplete, or unverifiable information; consumer reporting agencies may not report outdated negative information; access to your file is limited; you must give your consent for credit reports to be provided to employers; you may limit “prescreened” offers of credit and insurance you get based on information in your credit report; and you may seek damages from a violator. You may have additional rights under the Fair Credit Reporting Act not summarized here. Identity theft victims and active duty military personnel have specific additional rights pursuant to the Fair Credit Reporting Act. You can review your rights pursuant to the Fair Credit Reporting Act by visiting www.consumerfinance.gov/f/201504_cfpb_summary_your-rights-under-fcra.pdf, or by writing Consumer Response Center, Room 130-A, Federal Trade Commission, 600 Pennsylvania Ave. N.W., Washington, D.C. 20580.
