	<p>Number Bonds / Times Tables Rockstars</p> <p>Children should now have nearly achieved their number bonds. For those who still need to learn these number facts, they will continue to be tested weekly to support their progress. Staff will colour the circles on the number bond chart to show when your child has completed a level. Children need to bring their number bond card to school every day.</p> <p>By this stage, children are expected to be using Times Tables Rockstars, (logins are sent home when number bonds have been achieved) which will help them learn their 2, 5 and 10 times tables. They will then move on to learning the related division facts. This is the expected standard for Year 2 and will ensure your child is in a secure position for maths in Year 3.</p>						
<p>READING</p>  <p>Read a book and discuss it with an adult at home.</p>	<p>Children working on the new ELS phonics scheme will have set books to read for the week- they need to read each book (1 online and 1 paper back) at least 4 times. Books will be changed once a week on a Friday. Children working on Accelerated Reader will need to read their book at least twice before they can quiz on a book. The quiz checks their understanding of what they have read. Children can quiz any day except Wednesday and then their book will be changed.</p> <p>Children will need to have their reading book in school everyday.</p>						
<p>SPELLING</p> <p>Spellings are set every Monday and tested the following Monday. <i>Your child will learn to spell the Year 1 Common Exception words to help them to close their gaps. This will help them to progress at a level that it suitable for them.</i></p>	a	do	to	today	of	said
