**We can't wait to learn with you this year!**

## Homework

Homework is set every Monday and should be completed in purple homework books and returned by the following Monday.

Homework grids can be found on the Widey Court website, in the Year 2 area, and in your child's homework book.

See homework grid for further information.

## Spellings

Children will receive 5 or 10 Common Exception Words to learn each week.

Spelling tests take place every Monday.

## Reading

Children will read books from either the ELS or Accelerated Reader scheme.

More information will be shared during our Meet the Teacher meeting in September.

Children are expected to read every day, and each book should be read at least two or three times.

Reading books and reading records should be brought to school every day.

## Maths

Children will continue learning their number bonds to 10 and doubles.

Once these are secure, they will move on to Times Tables Rock Stars.

A member of staff will check number bonds weekly.

## Communication

Don't forget to check our school website, Class Dojo, and our school Facebook page to keep up to date with what is happening in school.

You can contact us using the email addresses listed above, and we are always happy to speak with you at the beginning or end of the school day.

## Drinks & Snacks

Your child will continue to be offered a piece of fruit or a vegetable each day through the free fruit and vegetable scheme.

Alternatively, if you prefer, your child may bring their own healthy snack, such as fruit, a cereal bar, or crackers.

Please ensure that children bring a named water bottle to school every day.

## PLEASE LABEL ALL SCHOOL CLOTHES/ WATER BOTTLES ETC.

They are very difficult to find and return to you if they do not have a name on them.

## PLEASE LOOK AFTER OUR SCHOOL READING BOOKS.

We want all of our children to have access to good quality books.

Please do not put water bottles into bags to avoid leaks and damage to school books.

If a book is damaged in your care please replace the book with a quality second hand version.

## NEW FROM SEPTEMBER:

To make everyone's birthdays extra special, birthday party invitations are no longer to be brought into school for distribution within your child's class.

We are sure all children love a birthday party celebration, but handing out invitations in school can be tricky or upsetting for some children. If invitations are for a smaller group, we ask that they are hand delivered outside of school.
