

Personal, Social, Health and Economic Education (PSHE) Policy

School Name: Widey Court Primary School

Policy Date: September 2026

PSHE Lead: Ashleigh Davies

Review Date: September 2027

Personal, Social, Health and Economic Education (PSHE) is our comprehensive curriculum for supporting children's personal development, health, wellbeing and understanding of relationships.

We are required by law to teach **Relationships Education** and **Health Education** to all primary-aged pupils. We deliver these statutory subjects within our broader PSHE programme. Where we teach about human reproduction (sex education), we do so in line with the principles and approach of the 2025 Relationships, Sex and Health Education (RSHE) statutory guidance, in which sex education itself remains non-statutory (but recommended) in primary schools. Please refer to the Relationships and Sex Education Policy.

Our PSHE curriculum also includes age-appropriate aspects of **economic education**, preparing children to understand spending, saving and the world of work, and **citizenship education** including British Values, helping children understand their rights, responsibilities and role in society.

This policy explains our whole-school approach to PSHE education and how we meet our statutory duties.

Our Vision for PSHE Education

At Widey Court Primary, we believe every child deserves an education that prepares them not only for academic success but also to thrive as rounded individuals in modern society. Personal, Social, Health and Economic (PSHE) education sits at the heart of this commitment.

PSHE is not an add-on to our curriculum; it is fundamental to our children's development as confident, healthy and respectful members of society. Through high-quality PSHE, we equip pupils with the knowledge, skills and attributes they need to stay safe, maintain wellbeing, and build positive relationships throughout their lives.

Our curriculum is carefully designed to be developmental and progressive. From the moment children join our school, they begin to explore emotional literacy—learning to recognise, name and talk about feelings. This foundation grows year by year, helping pupils to manage emotions, develop resilience, and make informed decisions that support their own and others' wellbeing.

By embedding PSHE across our school culture, we nurture a community where respect, inclusivity and responsibility flourish. In doing so, we prepare our pupils not only for the challenges of childhood but also for adulthood, work and active citizenship.

We are committed to:

- Supporting the whole child - recognising that children's emotional and social development directly impacts their capacity to learn
- Creating a safe, inclusive environment where every child feels valued and able to discuss concerns without fear or stigma
- Building foundations for the future - providing age-appropriate learning that prepares children for the challenges and opportunities of adolescence and beyond
- Working in partnership with families, recognising that parents are children's first educators in many aspects of relationships and health
- Embedding PSHE across school life - not just in weekly lessons, but through our values, relationships, and everyday interactions

Statutory Requirements and Curriculum Framework

The policy should be read alongside the school's safeguarding and curriculum policies.

Relevant legislation and guidance include:

- Children and Social Work Act 2017.
- Education Act 2002, including the duty to provide a broad and balanced curriculum.
- Equality Act 2010.
- Relationships Education, Relationships and Sex Education and Health Education statutory guidance (DfE, 2026).
- Keeping Children Safe in Education (DfE, 2026).
- Working Together to Safeguard Children (DfE, 2026).
- The National Curriculum in England.
- The school's safeguarding, child protection, behaviour, anti-bullying, online safety, equality and inclusion policies.

Under the Education Act 2002 and the Academies Act 2010, all schools must provide a curriculum that:

- Promotes the spiritual, moral, cultural, mental and physical development of pupils
- Prepares pupils for the opportunities, responsibilities and experiences of later life

The Relationships Education, Relationships and Sex Education and Health Education (England) Regulations (updated July 2025) make Relationships Education and Health Education statutory for all primary-aged pupils. These subjects must be taught in all maintained schools, academies, independent schools, maintained special schools, non-maintained special schools, and alternative provision settings.

We deliver statutory Relationships and Health Education within our comprehensive PSHE programme, using materials from Jigsaw PSHE 3-11. This provides children with a carefully sequenced, age-appropriate curriculum that meets all statutory requirements whilst also developing wider personal and social capabilities. Our PSHE curriculum also supports our safeguarding responsibilities as set out in Keeping Children Safe in Education and the Prevent Duty, helping children to recognise concerns, stay safe online and offline, and seek help when needed.

Our curriculum addresses all statutory requirements including:

- Families and people who care for me
- Caring friendships
- Respectful, kind relationships
- Online safety and awareness
- Being safe
- Mental wellbeing
- Internet safety and harms
- Physical health and fitness
- Healthy eating
- Drugs, alcohol, tobacco and vaping
- Health protection and prevention
- Basic first aid
- Developing bodies (including puberty as part of Health Education)

A detailed mapping document showing how the Jigsaw programme covers every statutory outcome is available to view on request from your child's class teacher or the PSHE lead.

The Jigsaw Approach: A Whole-School Framework

We use Jigsaw PSHE as our curriculum framework because it provides a comprehensive, carefully sequenced scheme of work that brings consistency and progression to children's learning across their primary years. Built on current research and best practice in child development, safeguarding and health education, it is kept continuously up to date with evolving statutory guidance and enables us to deliver high-quality PSHE education that meets our children's needs. The programme is distinctive in its approach including:

The Jigsaw Puzzles (units)

1. Being Me In My World
2. Celebrating Difference
3. Dreams and Goals
4. Healthy Me
5. Relationships
6. Changing Me

In each school year of Jigsaw we solve 6 Puzzles

We will explore one each half term.

Emotional literacy at the core - Every Jigsaw lesson systematically develops children's emotional vocabulary and understanding. Children learn to recognise, name and talk about a wide range of feelings in themselves and others. This emotional literacy supports children's ability to share and discuss things that are important in their lives, to seek help when needed, and to build positive relationships.

Mindful practice - Every Jigsaw lesson begins with 'Calm Me Time', a mindfulness activity designed to support self-regulation and create a safe, focused space for learning. This consistent practice forms part of our approach to children's emotional wellbeing and helps children to be ready for open, thoughtful discussion.

Connection and community - The 'Connect Us' activity in every lesson strengthens relationships within the class and develops children's social skills, building a sense of belonging and mutual respect that underpins all learning.

Developing skills for respectful dialogue - PSHE lessons provide regular opportunities for children to develop and practise essential communication skills including listening to others, expressing their own views clearly and respectfully, considering different perspectives, and engaging in constructive discussion. These oracy skills are fundamental to building positive relationships and respectful communities, enabling children to navigate differences with kindness and to participate confidently in democratic discussion.

Age-appropriate spiral curriculum - Topics are revisited across year groups with increasing depth and complexity, enabling children to build on prior learning in line with their developing maturity and understanding, with teachers able to adapt according to their pupils' needs.

Interactive, participative teaching - Lessons are designed to be engaging and active, using discussion, role-play, problem-solving and creative activities to develop skills alongside knowledge. Children don't just gain information - they explore topics in age-appropriate ways and develop practical skills that support them in their everyday lives.

The Six Jigsaw Puzzles

Our PSHE curriculum is organised into six themed units ('Puzzles'), each taught for approximately half a term:

Term	Puzzle	Key Content
Autumn 1	Being Me in My World	Understanding personal identity, my place in the class and school community, rights and responsibilities, democracy, making a positive contribution.
Autumn 2	Celebrating Difference	Recognising and respecting diversity, challenging stereotypes, understanding difference and similarity, addressing bullying, building empathy and compassion.
Spring 1	Dreams and Goals	Setting and working towards goals, understanding aspirations and future possibilities, developing perseverance and resilience, recognising achievements, working collaboratively.
Spring 2	Healthy Me	The relationship between physical and emotional health; nutrition, sleep, exercise and hygiene; emotional wellbeing; drug education (including medicines); keeping safe; understanding habits and making healthy lifestyle choices.
Summer 1	Relationships	Understanding different relationships and their characteristics, our families, managing friendship challenges, conflict resolution and communication skills, recognising when relationships are unhealthy, understanding loss and bereavement.
Summer 2	Changing Me	Understanding life cycles and human growth, coping positively with change, body image and self-esteem, puberty education, changing relationships, and for upper Key Stage 2, human reproduction.

Adapting Jigsaw for Our School Community

Whilst we follow the Jigsaw programme, we recognise that our children, families and context have specific needs and characteristics. Our PSHE lead and class teachers carefully consider each lesson's content and approach to ensure it is appropriate and relevant for our pupils, taking into account:

- The specific needs, experiences and developmental stages of pupils in each class
- Pupil voice - gathered through feedback within lessons, informal discussions with children, and group discussions where children get the opportunity to talk about their learning.
- Local context and community considerations
- Feedback from parents, pupils and staff
- Our school's distinctive values and ethos

Where we make adaptations to the programme, these decisions are made thoughtfully, in consultation with senior leadership, and with reference to statutory requirements. Parents and carers are informed about significant adaptations, particularly where these relate to sensitive content.

Curriculum Time and Whole-School Approach

PSHE is taught weekly through dedicated curriculum time of one hour per week by their class teachers. Learning is integrated naturally into the classroom environment so that teachers can draw connections between PSHE and other areas of learning.

Beyond the Classroom: Embedding PSHE in School Life

We recognise that effective PSHE education extends far beyond weekly lessons. The skills, values and understanding developed in PSHE sessions are reinforced and 'lived' throughout our school day and across all areas of school life such as:

- Assemblies that regularly explore PSHE themes, celebrating successes, exploring moral questions, and building whole-school awareness of current wellbeing and relationship topics.
- Our behaviour and relationships policy reflects the principles taught in PSHE, emphasising respect, kindness, responsibility and positive conflict resolution. Adults model these values in all interactions with children and each other.
- Playground and social times provide opportunities for children to practise the friendship and conflict-resolution skills learned in PSHE, supported by staff who understand the PSHE curriculum and can reference learning when supporting children.

Emotional literacy taught in PSHE develops an extensive vocabulary for feelings and emotions which is reinforced throughout the school day, with staff supporting children to name and express their feelings, to understand others' emotions, and to use this awareness to build positive relationships and resolve difficulties. Display materials, including feelings vocabulary and visual prompts, support this learning across the school.

- Recognition and reward systems celebrate not just academic achievement but the personal and social qualities developed through PSHE - kindness, perseverance, respect, courage, and contribution to the school community.
- Our learning environment reflects PSHE values, with working walls displaying current learning, vocabulary walls supporting emotional literacy, and visual prompts reinforcing key concepts like the Jigsaw Charter, feelings vocabulary, and strategies for wellbeing.

Supporting Our Teachers

We support staff delivering PSHE through:

- Comprehensive resources - The Jigsaw programme provides detailed lesson plans, teaching resources, assessment materials and guidance, reducing planning burden and ensuring consistency across year groups.
- Regular professional development - Staff receive training on:
 - Using the Jigsaw programme effectively
 - Teaching sensitive and controversial topics
 - Managing difficult questions and discussions
 - Safeguarding and responding to disclosures
 - Creating safe, inclusive classroom environments
 - Current issues affecting children (e.g., online safety, mental health)

- Collaborative planning and review - to plan and share effective practice, discuss challenges, and support each other in delivering sensitive content.
- Senior leadership support - The PSHE lead and senior leadership team provide ongoing support, including observing lessons where helpful, advising on complex situations, and ensuring staff wellbeing.
- Access to specialist support - Where needed, we access support from external specialists including school nurses, PSHE advisors, mental health professionals and other local services to enhance staff knowledge and lesson delivery.

Creating Confident, Skilled Practitioners

We recognise that teaching PSHE requires particular skills:

- Creating safe, non-judgemental spaces for discussion
- Using distancing techniques when discussing sensitive content
- Facilitating participative, interactive learning rather than delivering information
- Responding to unexpected questions or disclosures
- Managing the balance between planned content and responsive teaching
- Supporting children who may find topics triggering or upsetting

Ongoing professional development helps our staff to develop and refine these skills, ensuring that PSHE teaching is consistently effective across our school.

Assessment, Monitoring and Evaluation

We monitor and evaluate our PSHE provision to ensure it is meeting children's needs, is delivered consistently across the school, and is having positive impact on children's wellbeing and development. We track children's progress to ensure learning is embedded and to identify where additional support may be needed. Assessment in PSHE focuses on:

- Knowledge and understanding of key concepts
- Development of skills (e.g., communication, conflict resolution, decision-making)
- Ability to apply learning to real situations

The Jigsaw programme includes assessment materials and opportunities for children to reflect on their learning. Teachers use a range of strategies including:

- Observation of discussions, role plays and collaborative activities
- Review of written work, children's self-assessments and reflections

Progress in PSHE is reported to parents as part of their end of year report.

Monitoring Quality and Impact

The PSHE lead, working with senior leadership and governors, monitors PSHE provision through:

- Regular review of planning and teaching materials
- Learning walks and lesson observations
- Review of children's work and assessment information
- Pupil voice activities to understand children's experience of PSHE
- Staff feedback on confidence, resources and support needs
- Analysis of behaviour, wellbeing and safeguarding data
- Parent feedback through surveys and consultation
- Regular CPD and understanding of curriculum changes

Monitoring enables us to celebrate effective practice, identify areas for development, and ensure consistency in quality across the school.

Evaluating Impact

We evaluate the impact of PSHE education by looking at:

- Children's knowledge, skills and confidence as evidenced through assessment
- Quality of relationships between children and between children and adults
- Positive behaviour and ability to resolve conflicts constructively
- Children's wellbeing and mental health indicators
- Children's confidence in seeking help and reporting concerns
- Safeguarding data and how well children identify and report concerns
- Preparedness for transition to secondary school

This evaluation informs ongoing improvement of our PSHE provision and contributes to our annual policy review.

Links to Other Policies and Curriculum Areas

PSHE does not exist in isolation but connects closely with other areas of school life and curriculum. This PSHE policy should be read in conjunction with:

- Safeguarding and Child Protection Policy
- Behaviour Policy
- Anti-Bullying Policy
- Online Safety / E-Safety Policy
- Equality and Diversity Policy
- SEND Policy
- Health and Safety Policy
- Relationship, Sex and Health Education Policy (RSHE Policy)
- Science Policy [where relevant to RSHE content]

Links Across the Curriculum

PSHE learning is reinforced through other curriculum subjects including:

- Science: Learning about the human body, life cycles, health, drugs and their effects, puberty and reproduction.
- ICT: Online safety, respectful online communication, understanding how technology works and is used.
- PE: Physical health, benefits of exercise, teamwork, resilience, managing success and failure.
- Citizenship: Rights and responsibilities, democracy, community involvement, understanding diverse communities.
- Religious Education: Moral questions, values, beliefs and world views, diversity and respect.
- Literacy: Texts often provide opportunities to explore PSHE themes including relationships, diversity, moral dilemmas, resilience and identity.

Teachers actively make connections between PSHE and other learning, reinforcing understanding and helping children to see how PSHE knowledge and skills apply across different contexts.

Policy Development

This policy was developed through consultation with:

- School staff, including teaching staff, support staff and senior leadership]
- Pupils (through regular pupil voice opportunities)
- Governors / Trustees

The policy is informed by:

- DfE Relationships Education, Relationships and Sex Education and Health Education statutory guidance (July 2026)
- Keeping Children Safe in Education (current statutory guidance)
- The Prevent Duty (Counter-Terrorism and Security Act 2015)
- Jigsaw PSHE programme of study and supporting documentation
- Local authority / MAT guidance and support materials
- Evidence from educational research and best practice

Review and Update

This policy will be reviewed annually to ensure it remains up to date with:

- Statutory guidance and legal requirements
- Jigsaw programme updates and enhancements
- Emerging needs of our pupils
- Feedback from stakeholders
- National and local developments in PSHE education

Responsibilities

The PSHE Lead is responsible for:

- Overall coordination of PSHE across the school
- Keeping up to date with statutory requirements and best practice
- Supporting and advising teachers
- Monitoring quality and impact of PSHE provision
- Leading policy review and consultation processes
- Liaising with parents and external agencies
- Reporting to senior leadership and governors

The Headteacher is responsible for:

- Ensuring statutory requirements are met
- Supporting the PSHE lead and teaching staff
- Ensuring adequate resources and professional development
- Engaging with parents, particularly regarding sensitive content
- Managing withdrawal requests from sex education
- Ensuring PSHE connects with whole-school safeguarding and behaviour approaches

Governors / Trustees are responsible for:

- Ensuring the school meets its statutory duties
- Approving this policy
- Monitoring implementation and impact
- Supporting the headteacher and staff
- Engaging with parent consultation processes

All Staff are responsible for:

- Delivering high-quality PSHE in line with this policy
- Reinforcing PSHE learning throughout school life

- Responding appropriately to disclosures and concerns
- Modelling the values and behaviour promoted through PSHE
- Engaging with professional development
