MATHS **If your child is still working on their number bonds, they will need to have their number bond card in school every day.** Children will be tested weekly, and their card will be updated when they have completed a level. Children have access to **Numbots** where they can practise their addition and subtraction When children have completed their number bonds, they will be given a login **for Times Tables Rockstars** which will help them to learn their 2, 5 and 10 times table facts. Children will then be expected to learn the related division facts. This term, children will also have a **MyMaths** task to complete each week (their login card will be in their reading record).	**Number Bonds Practice** or **Numbots** or **Times Tables Rockstars** 15 minutes per week	**Number Bonds Practice** or **Numbots** or **Times Tables Rockstars** 15 minutes per week	**Number Bonds Practice** or **Numbots** or **Times Tables Rockstars** 15 minutes per week	**Number Bonds Practice** or **Numbots** or **Times Tables Rockstars** 15 minutes per week	**Number Bonds Practice** or **Numbots** or **Times Tables Rockstars** 15 minutes per week	**Number Bonds Practice** or **Numbots** or **Times Tables Rockstars** 15 minutes per week

READING Read a book and discuss it with an adult at home.	Your child will either bring home an Essential Letters and Sounds (ELS) book or an Accelerated Reader (AR) book. ELS books are changed once a week. AR books are changed once your child has completed the quiz for their current book. We expect children to read their book two or three times before taking the quiz so that they are confident and familiar with the text. The quiz checks their understanding and comprehension of what they have read. For children to make the best progress, we recommend quizzing at least once a week. **Children will need to have their reading book in school every day.**					
SPELLING Common Exception Word spellings are introduced every Monday and tested the following Monday. The two words in blue have been repeated from the previous week to support overlearning, helping to improve retention and the accurate application of these spellings. Your child will be focusing on the Year 1 Common Exception Words for now to help them close any gaps in their learning. This will support them in making progress at a level that is appropriate for their current stage of development.	by	come	ask	pull	of	was

SPELLING Common Exception Word spellings are introduced every Monday and tested the following Monday. The two words in green are Common Exception Words that are being revisited from Year 1. The words in orange are the Year 2 Common Exception Words. The words in blue have been repeated from the previous week to support overlearning, helping to improve retention and the accurate application of these spellings. *We are aware that some children can confidently spell the Year 2 CEWs in isolation, however, we would like them to revisit them this term to build fluency and help with application within their writing.
