### Payment Options

You may choose from the following options for paying tuition and fees:

- One lump sum payment on June 1 or at time of registration if after June 1.
- Two equal payments due on June 1 and December 1.
- Twelve equal payments June through May. If enrolled after June, payments will be divided equally over the months remaining between the month of enrollment and May.

Please indicate your billing preference on the enrollment application.

### Delinquent Accounts

Payments are due on the first day of the month. A late payment fee of **\$25** is assessed on the tenth of each month. If the account is past due for 30 days or more, student(s) may be ineligible to attend classes. Report cards will not be released and web access will be suspended if accounts are not current.

There is a **\$25** fee for returned checks or failed ACH payments.
