6 USE OF COOKIES

At present, the Mihup Communications Pvt. Ltd. website does not use any cookies.

Cookies essentially consist of information on users that servers transmit to browsers when websites are viewed. This information can then be recovered at the time of subsequent visits. The information recorded can include items such as the date and hour a website was viewed, a reply to an online questionnaire, personal information collected by the server, etc. Cookies can in fact be useful, given that they save information concerning your preferences. Cookies can be used for the following purpose:

- To help us recognize you as a unique visitor (just a number) when you return to our website and to allow us to tailor content or advertisements to match your preferred interests or to avoid showing you the same adverts repeatedly.

- To compile anonymous, aggregated statistics that allow us to understand how users use our site and to help us improve the structure of our website. We cannot identify you personally in this way

Two types of cookies may be used within this website: 'session cookies', which are temporary cookies that remain in the cookie file of your browser until you leave the site, and 'persistent cookies', which remain in the cookie file of your browser for much longer (though how long will depend on the lifetime of the specific cookie)

Disabling/Enabling Cookies

You have the ability to accept or decline cookies by modifying the settings in your browser. However, you may not be able to use all the interactive features of our site if cookies are disabled. There are a number of ways to manage cookies. If you use different computers in different locations you will need to ensure that each browser is adjusted to suit your cookie preferences. Some modern browsers have a feature that will analyse website privacy policies and allow a user to control their privacy needs. These are known as 'P3P' features (Privacy Preferences Platform). You can easily delete any cookies that have been installed in the cookie folder of your browser. For example, if you are using Microsoft Windows Explorer:

- Open Windows Explorer
- Click on the Search button on the Tool bar
- Type 'cookie' into the search box for Folders and Files
- Select My Computer in the Look In box
- Click Search Now
- Double click on the folders that are found
- Select any cookie file
- Hit the Delete button on your keyboard

If you are not using Microsoft Windows Explorer, then you should select cookies in the Help function for information on where to find your cookie folder.

The Interactive Advertising Bureau is an industry body, which develops standards and guidelines to support online business processes. Its website www.allaboutcookies.org gives further details about cookie, web beacons and suchlike, and explains how they be managed and disabled.
