

North American Renewables Registry Certificate of Retirement

APX, Inc., in its capacity as operator and administrator of the North American Renewables Registry (NAR), hereby confirms that the following Renewable Energy Certificates ("RECs") have been retired in NAR on behalf of:

Green Select 2023

Total RECs Retired: 1,172

Retiring NAR Account Holder: Entergy New Orleans, LLC

Retirement Reason Details:

Vintage Year	Project Type	Retirement Date	Quantity
2022	Solar	January 30, 2024	1,172

The North American Renewables Registry is an online platform to issue, serialize and track REC. NAR meets RE100 best practices guidelines and CDP standards for procuring and reporting purchases of renewable energy. The Registry is developed and managed by APX, leveraging more than 15 years of experience in environmental markets. For more information: www.apx.com
