We will give you at least 14 days' notice in advance of any rate reduction. If we increase the rate, we will apply it immediately and we will inform you of the increase within 30 days of it being made.</p>				

What would the estimated balance be after 12 months and 24 months based on a £1,000 or £25,000 deposit?

Balance after 12 months:

£1,041.60 at an interest rate of 4.16% AER (variable) based on the Easy Access Savings rate and the additional fixed bonus rate

£26,040.00 at a bonus interest rate of 4.16% AER (variable) based on the Easy Access Savings rate and the additional fixed bonus rate

Balance after 24 months (including the application of the additional fixed bonus rate during the first 12 months):

£1,078.26 at Easy Access Savings interest rate of 3.52% AER (variable)

£26,956.61 at Easy Access Savings interest rate of 3.52% AER (variable)

These examples assume that:

- you deposit £1,000 or £25,000 on the account opening date with no further deposits or withdrawals
- the additional fixed bonus rate is applied for the first 12 months
- the Easy Access Savings rate remains the same for 24 months, and interest is paid into your Easy Access Savings account.

The above is for illustrative purposes only and does not take into account any individual circumstances.

How do I open and manage my account?

You can open and manage your account through the Monument mobile app.

Eligibility:

- This Easy Access Savings account with the additional fixed bonus rate is only available to new clients.
- You're not eligible if you have previously held any other Monument product and this must be the first account you open with us.
- You must be aged 18+.
- UK residents only.
- This account can only be opened in one person's name.
- You must have a personal UK bank account that allows transfers to be made to and from your Monument Easy Access Savings account.
