experience **SUPERSUPER**

Junior Art Director

October 2025–present (Paris, France)

Supported the development of visual campaigns for luxury and beauty clients from concept to production. Assisted on campaign shoots, providing on-set support and backstage photography. Contributed to the agency's social media presence through content creation and visual storytelling. Conducted visual research and designed digital assets, newsletters, and communication materials in line with the agency's creative standards.

Oh My Cream !

Assistant Art Director

December 2024–October 2025 (Paris, France)

Supported the creation and execution of visual content across digital, print, and retail platforms. Assisted in developing campaign moodboards and coordinating photo shoots; adapted creative assets for newsletters, social media, and e-commerce.

Purple Magazine

Graphic Design Intern

March 2024–August 2024 (Paris, France)

Created visual content for digital platforms using Adobe CS, managed social media and website, and executed photo retouching and digitalisation tasks. Contributed to enhancing the magazine's online presence while developing expertise in digital media management.

Sharing Excess

Graphic Designer

September 2021–March 2022 (Philadelphia, USA)

Worked with marketing and web teams to design engaging visuals for print, social media, and web platforms. Ensured brand consistency by adhering to graphic guidelines, contributing to cohesive and impactful marketing campaigns.

Freelance Graphic Design

Graphic Designer

September 2023–Present (remote)

Collaborated with clients from concept development to final delivery, creating identities and poster designs through visual research and concept-driven approach.
