Quality, Environmental and work Environmental Policy

Purpose

This policy defines our commitment to delivering high-quality 3D printing solutions and CNC manufactured parts while minimizing environmental impact and ensuring a safe, healthy, and motivating work environment for all employees.

Quality Commitment (ISO 9001:2015)

ADDform OÜ is committed to maintaining the highest standards of quality in all aspects of its operations.
We strive to:

- Deliver 3D printed and CNC manufactured products and services that meet or exceed customer expectations.
- Continuously improving our processes, technologies, and competencies to enhance customer satisfaction.
- Ensuring compliance with applicable statutory, regulatory, and customer requirements.
- Promoting a culture of innovation, precision, and reliability in additive manufacturing and engineering services.

Environmental Commitment (ISO 14001:2015)

ADDform OÜ recognizes its responsibility to protect the environment and minimize its ecological footprint.
We are commited to:

- Identifying and reducing the environmental impacts of our operations, including energy use, material waste, and emissions.
- Promoting sustainable practices such as recycling, responsible sourcing of materials, and energy-efficient production.
- Preventing pollution and complying with all relevant environmental legislation and regulations.
- Continually improving our environmental performance through measurable objectives and targets. Monitoring and reviewing said targets.

Work Environment and Occupational Health & Safety

ADDform OÜ is dedicated to providing a safe and healthy work environment for all employees, contractors, and visitors.
We are committed to:

- Maintaining a safe, healthy, and ergonomically sound workplace for all personnel.
- Identifying and mitigating risks associated with 3D printing, CNC machining and related operations, including exposure to fumes, noise, and mechanical hazards.
- Encouraging employee participation in safety initiatives and continuous improvement activities.
- Supporting employee well-being, training, and professional development to foster engagement and competence.
- Ensuring compliance with applicable occupational health and safety laws and regulations.

Implementation and Review

This policy is communicated to all employees and made available to interested parties.
It is reviewed annually or whenever significant changes occur to ensure its continued relevance and effectiveness.
ADDform OÜ establishes measurable objectives and targets to support this policy and demonstrates continual improvement through performance monitoring and management review.
