08.06.25	#B-107	Our host introduces us to Jerrilee; she's invented a fun learning game that involves speed and spelling. She's already selling it in a few stores, could a publicity event help to promote her product and help take it farther? We also meet Justin and Jerod, twins who have a solution for the wedgie. While our host gives us do-it-at-home tips on inventing our own game.
08.13.25	#B-108	Our host introduces us to Nirusan; he's invented an indoor navigation device to help the visually impaired find their way around a building. He's about to test it; will it replace or compliment the seeing-eye-dog? We also meet Victoria, she has many inventions to make life easier and safer. While our host tries his hand at his most ambitious invention to date: the automatic room organizer.
08.20.25	#B-109	Our host introduces us to Brandon; he's invented a set of golf clubs that grow with you. Could a little input from the pros help him pitch his idea and score a hole in one? We also meet Jake and his various spring-loaded inventions. While our host gives us do-it-at-home tips on inventing your own sport.
08.27.25	#B-110	Our host introduces us to Lance; he's invented a hydration system that's part of your hockey gear, so your water is always with you. Will it beat even the fastest skaters when it comes to taking a water break? We also meet Marcus and his hockey equipment dryer. While our host modifies sports equipment in an attempt to better his performance.
