Re: **FINALLY CAUGHT** – 2025-2026 Syndication Season

Date: Monday, August 25, 2025

We are pleased to announce the 2025-2026 syndication season of FINALLY CAUGHT!

FINALLY CAUGHT, an hour-long weekly show that includes a main and second run, will be distributed using IP based / OTSM SyndiNet delivery for weekend air. If you are not currently receiving programming from PMI in this manner, please be sure your station has been set-up with the required OTSM SyndiNet downloader. If you have questions, please contact PMI directly for assistance.

Please review the attached feed sheet, schedule, and generic format. These documents, plus the weekly formats and any updates related to the distribution of the show, can be found on the PMI website:
