“A National Salute to America’s Heroes”

All new one-hour TV Special highlighting all the excitement of the Annual AIR and SEA SHOW shot on and over the beautiful shores of Miami Beach. There is no better way to honor our Military then to make available this broadcast special for the Fourth of July Holiday Weekend and a receptive national audience.

The show will pay tribute to those that serve our nation and those that have paid the ultimate sacrifice on behalf of our freedom. Our military deserves this salute and the national exposure that this nationally syndicated television special will bring to them, their families and a grateful nation.

Focused TV Productions will be producing this Special covering all aspects of the Salute’s event... interwoven with personal experience stories, sacrifices and dedication to duty and country by our heroes that we will honor.
