

July 2026 EPISODE SUMMARIES

Coffee With America – Episode 626 (July 4 - July 10)

This week on *Coffee with America*, Sasha Rionda shares summer travel inspiration with a getaway to the beautiful Bahamas, along with the latest beauty and style trends to help you look and feel your best all season long. Plus, discover the benefits of plant-based protein, learn how to protect yourself from AI-powered scams, and gain valuable insight into palliative care and patient communication. We also celebrate the storytellers preserving America's history ahead of the nation's 250th anniversary and explore the latest summer tech for travel and everyday life.

Coffee With America – Episode 627 (July 11 - July 17)

This week on an all-new *Coffee with America*, Sasha Rionda shares summer entertaining ideas, grilling tips, and travel inspiration from a luxury escape in Los Cabos. Plus, we celebrate our beloved pets, explore the future of sustainable food and farming, and hear an inspiring story of wildlife conservation. The show also features a powerful conversation about love, loss, and hope as one woman shares her remarkable journey to motherhood.
