November 2026 EPISODE SUMMARIES

Coffee With America – Episode 643 (October 31 - November 6)
This week on *Coffee with America*, Sasha Rionda shares smart tips for safely sending money to loved ones overseas, keeping your car road-ready, and making the most of employee benefits. Plus, the show explores how artificial intelligence is helping small businesses save time and how new cybersecurity programs are preparing students for future careers.
We also escape to Costa Rica for a luxurious tropical getaway, discover ways to bring the coffeehouse experience home, and take a fascinating look at how waste is being transformed into energy and building materials.

Coffee With America – Episode 644 (November 7 - November 13)
This week on *Coffee with America*, Sasha Rionda honors our nation's veterans and shares the inspiring story of Paralympic athlete Shawn Cheshire and her documentary *Blind AF*.
Plus, we escape to Costa Rica for a beautiful rainforest getaway and catch up with rising Hollywood stars from the upcoming films *Paper Tiger* and *Violent Night 2*. The show also shares cozy fall coffee creations, fun new toys, practical advice for healing after a breakup, and simple ways to refresh your daily wellness routine.

Coffee With America – Episode 645 (November 14 - November 20)
This week on *Coffee With America*, Sasha Rionda shares smart tips for choosing vitamins and supplements, magical Disney gift ideas, and stress-free holiday entertaining. Plus, we head to Las Vegas for the SEMA car show and escape to Peru for a stylish coastal getaway.
Big Time Rush star Stephen Kramer Glickman talks about his new album, and we explore smart home technology and a fascinating robot that makes coffee!

Coffee With America – Episode 646 (November 21 - November 27)
This week on *Coffee with America*, Sasha Rionda shares easy holiday entertaining tips, delicious recipes, festive drinks, and the hottest tech gifts and holiday deals. Plus, we escape to beautiful Turks and Caicos, explore the rich history and culture of Peru, and discover a fascinating digital exhibition celebrating ancient Chinese treasures.
