

VISION **Accessories**

2-CORE CABLE

2-core cable with rubber cover suitable for permanent use in swimming pool water. Use only in combination with DURAVISION pool lights.

CONNECTION KIT WITH MAGIC NUT

The connection kit for installing DURAVISION LED lighting includes a cable-to-light quick connector, a magic nut with silicone washers, and a gasket (available in different versions depending on cable thickness) and is designed exclusively for use with DURAVISION cables.
