■ Description:

The X-FLASH 9123FG button down shirts are made from 7oz, 100% cotton FR fabric trusted for comfort and durability. These shirts offer comfort throughout the workday, with an economical design that does not compromise on safety, providing dual-rated protection [compliant with NFPA 2112 and NFPA 70E CAT 2 standards]. They feature two chest pockets with snap button closures and a pencil bar tack on the left pocket. The sleeves are designed with adjustable cuffs featuring button closures, allowing for a secure and personalized fit that enhances comfort and functionality throughout the workday. elastic waistband provide freedom of movement and added comfort. The back yoke, combined with a back ease pleat, is thoughtfully engineered to enhance flexibility and allow for a greater range of motion, ensuring unrestricted movement and all-day comfort on the job. This garment seamlessly blends protection, comfort, and practicality, making it a reliable choice for demanding work environments without compromising on wearability or functionality.
