■ **Description:**

The X-STRESS 2140G is designed for fast, high-dexterity work where comfort and control drive performance. Its 15-gauge nylon/spandex shell delivers a light, flexible fit that keeps hands agile during repetitive tasks. The black micro-foam nitrile palm provides a soft, tacky grip on dry and lightly oily surfaces, helping maintain precision throughout the shift. Touchscreen-ready fingertips let workers use scanners, tablets, and phones without removing their gloves, keeping workflow moving. With its modern, low-profile design, the X-STRESS 2140G is ideal for assembly, packaging, and warehouse environments that demand all-day dexterity.
