| • 3310GM | MEDIUM |
| • 3310GL | LARGE |
| • 3310GXL | X-LARGE |
| • 3310G2XL | 2X-LARGE |

■ Description:

The X-SLASH delivers premium protection and comfort in a classic leather driver design. Its select-grain goatskin shell provides a soft, durable feel with excellent tactile control, while the engineered HPPE liner paired with C100 3M Thinsulate® adds warmth, dexterity, and dependable ANSI A6 cut protection. The keystone thumb enhances flexibility and reduces hand fatigue, making the glove ideal for handling sharp materials in cold environments. Built for performance, the X-SLASH combines high-end leather comfort with modern cut-resistant technology to keep workers protected and productive.
