| • 1903GL | LARGE |
| • 1903GXL | X-LARGE |
| • 1903G2XL | 2X-LARGE |

Description:

The C2V OMNI X-TREME delivers high-end cut protection and dependable performance with a gray engineered HPPE and acrylic terry shell that balances strength, comfort, and warmth. Its black sandy foam nitrile palm provides confident grip across wet, dry, and oily conditions, while ANSI Cut Level A9 protection ensures maximum defense in high-risk applications. Touchscreen-ready fingertips keep workers connected, and a reinforced thumb saddle adds durability in heavy-wear zones. Finished with a secure knitwrist to block out debris and cold air, the OMNI XTREME is built for demanding environments where safety and control matter.
