# **Know Your Strengths!**

When you go on a trip, you know what to pack in your suitcase, right? Before you explore careers, you should know what skills, talents, and personality traits YOU bring to the workplace.

## **How Interest Surveys Help**

Interest Surveys are fun tools that help you discover what you have inside. They show what you're good at, what you enjoy, traits you might have, or values you possess.

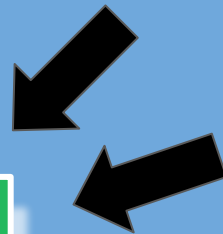

# Interest Survey #1

With so many career possibilities available, interest surveys are helpful in researching which careers might be a good fit for you.

Identifying your skills, values, or interests can be time consuming, but it's worth it! The best part is, there is never a wrong answer on this test!

# Do and Don'ts at Career Expo

DO	DON'T
Stay with only 1-2 other people	Travel in groups of 4 or more
ASK LOTS OF QUESTIONS!	Use your phone
Use your BINGO Card	Speak rudely to employers who are volunteering their time
Drop your BINGO card off to enter for a chance to win a \$25 gift card!	Ask to use the bathroom repeatedly (adults will be monitoring the area)
Think about your talents and interests as you learn about careers	Ask employers how much money they make (See alternate questions below if you're curious about salaries)
Encourage your friends in their interest areas	Grab candy or giveaways without engaging or asking a question first

# **GREAT QUESTIONS TO ASK!**

- What do you enjoy about this career?
- What are some challenges about this career?
- What qualities do you believe an employee must possess to be successful in this career?
- What interests you most about this career?
- What is your career path?
- What training or education would be needed for this career?
- Is it hard to get a job in this field?
- What classes would you suggest I take if I am interested in this career field?
- What technical skills are needed in this career?
- Are there opportunities for high school students to work in this field?
- What could an entry-level employee expect to make in this field?
- What is this career field looking for in future employees?
