## **BUILDING CAPACITY TOGETHER**

Train-the-Trainer empowers  
districts with flexibility to deliver  
PSLT in-house through their own  
certified in-district trainers.

**SUPPORTING THE  
READ ACT  
REQUIREMENT**

### **The Regional Literacy Network (RLN)**

developed an 8-hour PSLT (four 2-hour sessions) to support  
paraprofessionals across the state

**Piloted in Spring 2025** SCSC provided training for three  
regional districts that participated in the pilot

As part of the Minnesota **READ Act** Legislation, **paraprofessionals that support literacy are required to complete Structured Literacy Training by July 1, 2026.**
