Executive Decision Assistant

AI Tool 1 & 2: Executive Decision Assistant

Synthesizes strategy documents, meeting outputs, and research into decision-ready insights, actions, and hypotheses.

Personal Productivity Partner

AI Tool 4: Personal Productivity Partner

Optimizes weekly planning, calendar structure, and focus by turning schedules and priorities into practical execution plans.

Benefits App Builder

AI Tool 3: Employee Experience & Policy Translation

Designs and iterates a lightweight employee benefits app that translates complex benefits policies into clear, usable decision support for employees.

Scaled Leadership Communication

AI Tool 5: Leadership Video Communicator (HeyGen)

Transforms policy updates, benefits explanations, and leadership messages into short, consistent videos without requiring live recording.

Self-note: AI is used to reduce cognitive load and increase clarity, not to replace accountability.
