

WELLNESS EXPERIENCE

REGENERATE MIND AND BODY

LA ROQQA

CURATED FOR YOU

A GENTLE PATH

Designed for personal well-being, this private wellness suite prioritizes individuality through privacy and customization.

Our wellness philosophy takes a holistic and personalized approach, focusing on the connection between body, mind, and vital energy. Every treatment is designed to harmonize physiological functions, promote deep relaxation, and restore energy through bio-manual techniques, natural products, and sensory rituals. Each session begins with an in-depth consultation to understand the client's needs.

Our goal is to offer a transformative wellness experience, combining ancient knowledge with modern holistic techniques to restore balance and vitality for a profound sense of well-being.

RENEWABLE ENERGY

BRIGHTNESS AND NUTRITION

Guides your body to renew the energy, brightness and nourishment of skin, body, mind.

Stimulating the senses, surrounded by the scents of the Maremma, rediscover a skin at its true splendour, thanks to the scrub that renews and oxygenates the tissue in depth.

An effect enhanced by enveloping and draining manual techniques. The nourished and illuminated skin radiates joy. Bring your true beauty back to the surface, let go of physical and mental toxins thanks to the purifying effect of the dry heat bath.

A specific ritual to purify body and mind, preparing your skin for a flawless tan and ensuring it remains velvety and firm for days.

REGENERATE TREATMENT

Prolonged, enveloping manual techniques, integral salts and precious oils make this exfoliant a complete body treatment, restoring a velvety, radiant appearance to the skin.

DRY HEAT BATH - INFRARED SAUNA

The purifying and detoxifying action of the heat bath concludes this treatment by giving you that feeling of deep lightness and velvety skin.

Duration: 120 min

Cost: Euro 340 per person

DESSPORT

EMPOWER AND DEFATIGUE

“Desport” is a term from old french from which the word “sport” is derived and means: enjoyment, physical or spiritual pleasure, nourishment for body mind and soul.

This ritual makes your muscles supple and light, restores a good energy level and brings oxygen to the tissues so that your sports performance can improve.

It is also ideal after practice so that it helps you to defatigate and detoxify your entire body, release muscular exertion tensions and regain a proper rhythm of life.

Start your ritual with a dry heat bath in the comfortable infrared sauna, alternating moments of relaxation with purifying showers.

Continue with a Bio-Energy, an essential massage to balance your posture and allow your joints to move more fluidly, your muscles light and relaxed.

DRY HEAT BATH - INFRARED SAUNA

The purifying and detoxifying action of the heat bath concludes this treatment by giving you that feeling of deep lightness and velvety skin.

BIO-ENERGY MASSAGE - METODO INTEGRO

It is a massage that brings back and maintains the right level of energy in your body and mind.

Duration: 120 min

Cost: Euro 390 per person

REST

THIS IS YOUR TIME AND YOUR SPACE

Forget stress, mental fatigue, and heavy thoughts that weigh down your body. The key word is lightness of mind and body.

Start your ritual with a dry heat bath in the comfortable infrared sauna, alternating moments of relaxation with purifying showers. Allow this pleasant treatment to activate all the detoxifying purifying processes in your skin.

A refreshing final shower will wash away all toxins and your awakened active skin will be ready to receive the massage, giving you a greater sense of well-being.

The Bio-Skin is the right massage to reduce all those tensions that make you feel stiff, woody and weighed down. You will feel a new fluidity of movement, a clear and lucid mind, a newfound vital joy.

DRY HEAT BATH - INFRARED SAUNA

The purifying and detoxifying action of the heat bath concludes this treatment by giving you that feeling of deep lightness and velvety skin.

BIO-SKIN MASSAGE - METODO INTEGRO

With this massage you allow your tissue to take the proper time and space to regain its shape and shine.

Duration: 120 min

Cost: Euro 375 per person

LIKE A CLOUD

FLOAT LIGHTLESS

Wherever your mind is clear of worries and your body is light, starting your day with this sense of great freedom makes it begin in high gear.

Fly like a cloud again, choose this ritual to detoxify your whole body and mind, drain fluids allow your skin to rejoice.

Your ritual start with a dry heat bath: allow this pleasant treatment to activate all the detoxifying purifying processes of your skin. The last part involves a pleasantly relaxing Bio-Linfo massage, specifically designed to maintain this purifying action for many days, giving you a pleasant effect of lightness, as if on a cloud.

DRY HEAT BATH - INFRARED SAUNA

The purifying and detoxifying action of the heat bath concludes this treatment by giving you that feeling of deep lightness and velvety skin.

BIO-LINFO MASSAGE - METODO INTEGRO

The massage par excellence that stimulates the body's entire purification system, improves fluid drainage and has a strong purifying effect on body and mind.

Duration: 120 min

Cost: Euro 400 per person

DRY HEAT SAUNA

A TIMELESS RETREAT

Step into a realm of serene indulgence, as the gentle embrace of dry heat melts away the cares of the day.

Thoughtfully designed to enhance your well-being, our sauna offers a tranquil retreat in the heart of the hotel, a sanctuary where time slows and the senses awaken.

Crafted with the finest materials, the space radiates warmth and understated elegance, inviting you to unwind in quiet solitude or share in a moment of peaceful reflection. The calming heat envelops you, promoting deep relaxation, revitalizing the body, and restoring balance to the mind.

Whether as a prelude to a rejuvenating spa treatment or a soothing escape after a day of exploration, the dry heat sauna elevates your stay, offering a timeless ritual of renewal.

Duration: 90 min
