SUBARU

The Future of Construction

Building a “Green” Dealership

Growth Opportunity in Florida

Subaru is partnering with Lithia & Driveway to expand in an untapped Florida market.

Doral Subaru will be a new state-of-the-art dealership, built following the Florida Green Building Standards.

Coming January 2026

The new location will include:

Community Art

The design will incorporate art, including an exterior mural, for community enjoyment.

Innovative Interior

The modern interior design is created with the customer in mind, including an expansive customer lounge area, a kids space, customer refreshment bar, and dedicated plug-in/work spaces.

A Focus on Customer Service

Dedicated to *Earning Customers for Life*, this modern store will include:

- 50,000 sqft of new sales & service space
- Fully enclosed, climate-controlled service drive, shop and Express Service area
- Event space
- Free Wi-Fi for all customers
