Dear Team Airstream Team Members,

A little over a week ago, I had the pleasure of traveling back to the Airstream Mothership for the Annual Dealer Meeting in Jackson Center, Ohio.

I am so proud that in this *chaotic-post-pandemic-post-acquisition-ever-fluctuating-economy-world-with-record-inflation-continued-supply-shortage*s and the myriad of other variables we continue to experience daily YOU, the Airstream Adventures Team Members, have managed to stay focused and execute on our Vision Statement, Core Values and Commitments To Our Guests at every turn.

Because of each of you and your daily diligence, I have the honor and privilege of sharing that Airstream Adventures is the **most awarded dealer group in the country** for the model year running between August 2022 and July 2023!

I was thrilled to accept on behalf of YOU the following awards:

- ***5 Airstream Adventures locations received the 5-Rivet Dealer Award***
  Portland, Seattle, Bay, Idaho and Spokane
- ***2 Airstream Adventures locations were awarded the Top Touring Coach Sales for the West***
  Bay #4, and Seattle #1 !
- ***3 Airstream Adventures locations received the Top Travel Trailer Sales for the West***
  Portland #3, Bay #2, Seattle #1!

That is a total of 10 awards company-wide! This is because of you, Team Airstream, and your ongoing commitment to excellence and bringing your best every day despite the challenges we may face.
I was humbled to accept these awards on ALL of your behalf. I am grateful for each and every Team Member each and every day.

Thank you, and ***GOOD SHOW!***

Cheers!

Ted Davis
Founder and Platform General Manager
